## Free Local Cities Seek More Time To Reuse Dumps

### Officials Testify at Air Pollution Hearing On Corrective Programs

Assurances that action has been taken to eliminate burning dumps in the Quad-City area were given by the Illinois Air Pollution Control Board Tuesday by officials of Granite City, Madison and Venice in an all-day hearing on citation of all three cities for failure to comply with a "no burning" order. There was not a wisp of smoke coming from any of the dumps yesterday.

The hearing was held in the city court room of the city hall at East St. Louis and was highlighted by a parade of 13 witnesses for the Air Pollution board, all of whom testified, some of them at length, that burning of trash and rubbish was a common practice at five of the six dumps in the area and that burning continued beyond a Feb. 20 deadline for discontinuing the practice.

Granite City Mayor Donald Parney requested the board to grant the city a 180-day extension to permit time for negotiating a landfill contract which he said the city probably will use in preference to an incinerator as a method of disposing of garbage and trash.

## Youth, 19, Fatally Shot Examining .22 Caliber Pistol

John L. Clatts, 19, of 2205 Rock road, was shot and fatally wounded at 1:30 p.m. Monday as he and a friend were examining a .22 caliber pistol in the yard in front of Clatts' home.

Clatts died in St. Elizabeth Hospital of a bullet wound in the chest.

## Free Ads for Students Seeking Vacation Jobs

The Press-Record, again this year, will run free "situation wanted" classified ads for Quad-City high school and college students who are looking for full-time or part-time vacation work.

There are literally thousands of these young people seeking jobs each summer, and last year about 45% of those who look advantage of the free ad service found employment. The response this year is expected to be even greater.

The "situation wanted" listings will be carried in the Press-Record in the issues of Monday, May 24; Thursday, May 27; Tuesday, June 1, and Thursday, June 3, coinciding generally with the last two weeks of the spring semester.

The ads will be free to youths 16 and over who live in the Quad-Cities and attend school regularly. Copy will be accepted daily at the Press-Record office until 5 p.m. and on Saturdays until noon, with a deadline of Monday for publication in the following Thursday issue and Thursday for publication in the following Monday issue. Ads will be limited to 25 words, including the name, address and telephone number, and must be brought to the Press-Record office.

The Press-Record hopes this will be the means again of bringing together students looking for work and employers who want help regularly or intermittently during the summer vacation months.

### Madison's Major Problems

## Mayor Cites Annexation, Industrial Park, Bridge

Industrial park development, the future of the Chain of Rocks Bridge and annexation of East Madison are the most important problems facing the Madison city council during the new fiscal year, Mayor Stephen Macraes said Tuesday.

Macraes said the city is offering to construct an industrial plant for lease to an industry according to its specifications.

"We must expedite this industrial park," he said. "We have had a lot of leads, but they have not materialized as yet."

Macraes said one major factor which was interested has been to locate in South Carolina. "I presume it was because of costs of operations here," he said.

## Performing Crowd Witnesses GC Inauguration Ceremony

### Inaugural Talk Urges Cooperation

The inaugural address by Granite City's new Mayor Parney was brief and directed to the council and to the people in urging their cooperation in his four years in office. The mayor said the welcome mat will always be out at his office door.

Mayor Parney held his remarks to less than two minutes, and made the talk prior to calling the new council to order.

"I call upon you to help me. Let us all work together to make Granite City as great a place as it is in which to live, to work and to worship."

"Will you join with me in a great spirit of unity for the achievement of this purpose?"

"Since I firmly believe in the statement 'United we stand and divided we fall,' I am made keenly aware of the necessity of cooperation and coordination if we are to succeed."

"Inasmuch as you have so graciously placed me as your mayor, I take this opportunity to ask you all to join with me and let us move forward together as one great team dedicated to the common objective of a good, clean and progressive Granite City."

"Remember that the office of mayor is your office too. Come in for your fall. I am made keenly aware of the necessity of cooperation and coordination if we are to succeed."

"Will you join with me in a great spirit of unity for the achievement of this purpose?"

NEW FOURTH WARD ALDERMAN Claude Green, 2454 Illinois avenue, taking his oath of office from new City Clerk Homer "Col" Pendleton, after his appointment Monday night by Mayor Parney to complete the remaining two years in Parney's aldermanic term.

## New Mayor's Appointments

Appointments of a Fourth Ward alderman, assistant township supervisor, city planning inspector, city attorney, corporate counselor, Board of Fire and Police Commissioners and the mayor's office secretary were made Monday night by Mayor Parney, who said additional appointments will be made later this month.

In addition, the mayor named council committees for his first year. A listing of the committees appears on page 27.

Parney named Claude Green, 2454 Illinois avenue, a pipefitter at Union Starch & Refining Co. for 35 years, to complete the two years remaining in Parney's aldermanic term.

Mrs. Mary A. Gaughan, 2108 Edwards street, was named assistant township supervisor to complete the two years remaining in the term of her late husband, Robert O. Gaughan. She will be the only woman on the county board, but she is not on the board. Mrs. Nettie Ryan was named in 1937 to complete the term of her husband, Frank S. Ryan of Chouteau township.

The new city planning inspector is Julian Smith, 2214 Edwards street, replacing Elmer Reinhardt, for a four-year term. Smith is a plumber for Triangle Heating & Air-Conditioning Co.

Richard Allen, local lawyer and an assistant state's attorney, was named to a four-year term as city attorney, replacing Kenyon of the law firm of Lunders & Robertson was appointed to the four-year term as corporate counselor. Allen replaces George Filcott Jr. Kenyon goes to the law firm.

### Fast-Moving Session With Smooth Transition; Allen New Attorney

Inauguration ceremonies for a new mayor of Granite City—his first in 16 years—went smoothly and rapidly Monday evening before an audience of about 225 persons, including a large number of children.

Mayor Parney succeeded Mayor Davis at 8:18 p.m. following a brief session of the old council and the introduction of the new aldermen.

After his first act of rapping the council to order with a gavel turned over to him by Davis, Mayor Parney called upon W. L. Showers, retired pastor of the Second Baptist Church, to open the session with a prayer.

(Pictures on page 28)

In the transition, Mayor Davis presented keys to the city and framed certificates to retiring Aldermen Retting, Seventh Ward, and Aldermen Berglund, Third Ward, Retting Aldermen Skubish and Pence, both of the Sixth Ward, were presented. Davis also gave a certificate to retiring City Clerk A. L. Stevens, as Homer "Col" Pendleton took over the clerk's duties.

Parney submitted his resignation as Fourth Ward alderman before going to the platform to accept a gavel from Mayor Davis, who extended his congratulations. A short time later Parney received a second gavel with an engraved plate from Mrs. C. Walker, who represented a group of individuals in Parney's election campaign.

Second Gavel Presentation  
Before receiving the second gavel, Mayor Parney made a brief statement to the council as well as to the members' congratulations.

Parney, while still seated as Fourth Ward alderman, was called upon by Davis to introduce the new Sixth Ward alderman Richard Fry for the four-year term and Gerald Parney for the two-year term.

Berglund introduced new Third Ward Aldermen Roy Paulos, and Mrs. Berglund introduced her successor, R. E. Robertson for the Seventh Ward.

Back Slips Out  
After the new aldermen, clerk and mayor were seated, former Mayor Davis and the outgoing council slipped from the platform. Retired City Clerk A. L. Stevens moved to a chair alongside Clerk Pendleton.

Of the new aldermen, introduced, only Robertson, a former three-term mayor and three-term alderman, spoke. Robertson said he would not forget his campaign promises.

Following his opening remarks, Mayor Parney said little business would be transacted during the meeting, but that he would announce some appointments.

The mayor later told the Press-Record he would be making other appointments throughout May.

Claude Green New Alderman  
Fry, to be named as Parney's successor as Fourth Ward alderman for a two-year term. He is Claude Green, 2454 Illinois avenue, a pipefitter for Union Starch & Refining Co.

Re-elected aldermen then were introduced. They were William Dallas for the First Ward, Edmond Bartels for the Second, and Rutledge for the Third. Steve Bassett for the Fifth and Ford Johnson for the Eighth.

Gerald Parney, who was Mayor Parney's first assistant, was named as the new city clerk.

## Dual Problems In Local Program Are Explained

The dual problems of securing jobs for mentally handicapped persons and training additional teachers to meet the needs of educable retarded training programs were emphasized Monday night by Mrs. Evelyn Gavin, who addressed a meeting of the Granite City Kiwanis Club.

The speaker, a teacher of trainable retarded children at Lake school, also serves as president of the Granite City Association for Aid to Retarded Children.

Mrs. Gavin discussed a sheltered workshop program being operated in Alton and attended by a number of local young people. She reported at least two Granite City business firms are currently employing mentally handicapped persons and she asked that others give consideration to their employment.

She briefly outlined state legislation, shortly to be introduced to the Illinois General Assembly, which will require all school districts to support classes for educable retarded children. Mrs. Gavin pointed out that the Granite City school system has provided such programs for a number of years.

She proposed that organizations wishing to help could sponsor a scholarship for training teachers of exceptional children of which, she added, there are too few.

President Herbert R. Schanor conducted the business session, with the 18 club members present agreeing to co-sponsor the fourth annual boat races Aug. 4 with the Boy Life Boat Club. Wilbur Waggoner was appointed coordinating chairman for the Kiwanis to be assisted by Bill Schold sr., Peter Jelen and William Herman.

Planning was continued for a safe gun-hunting course slated for May 24 and 25 at the YMCA. Boys and girls, along with any interested adults, may attend the two-session instruction course to be taught by a Madison county conservation department official.

Melvin T. Gillie, program chairman, announced that Dr. D. Todoroff, Colledge Band director, will be the guest speaker Monday night in observance of Kiwanis "music week." The group will meet at the Rose Bowl.

**NATIONAL MARITIME DAY**, a tribute to the American Merchant Marine on its anniversary, will be promoted by the U. S. Government on post office trucks and a ceremony was held yesterday in front of the city hall with Mayor Parney and Postmaster W. T. Overbeck taking part with civic leaders. Left to right are—Carl Mathias, president of the Tri-Cities Chamber of Commerce, Postmaster Overbeck, Mayor Parney and Comdr. John Barron, manager of the Tri-City Regional Post District.

## National Maritime Day Being Observed Locally

Mayor Donald Parney and Postmaster W. T. Overbeck joined Wednesday with civic leaders in placing the first National Maritime Day poster on the city's mail trucks. The ceremony and the poster highlight the American Merchant Marine and its importance to the Nation.

The poster consists of the superstructure of an American merchant ship and carries the words "For Trade or Trips—American Ships." It will be displayed in post offices and on all mail trucks throughout the country for the entire month of May.

Annually proclaimed by the President as "National Maritime Day," May 22 is the focal point for paying public tribute to the American Merchant Marine, its ships and the men who sail them. The importance of the American Merchant Marine to the na-

tion's peacetime economy and defense in time of war was pointed out by Mayor Parney on the occasion of placing the first Maritime Day poster on the city's mail trucks. In his remarks, Mayor Parney noted the fact that "American-flag merchant ships are essential to maintaining our foreign trade and the flow of vital exports and imports so necessary to our burgeoning economy. With one-fourth of the products of our farms, past quantities of the products of our factories being exported and our industries dependent upon the import of raw materials, an adequate, efficient and economic American Merchant Marine is vital to the Nation."

"Nor can we overlook the fact that greater use of American ships for both cargo and travel can make a major contribution toward easing our balance of payments deficit."

"In view of this, the National Maritime Day Poster slogan is most appropriate: 'For Trade or Trips—American Ships.'"

At the ceremony, Mayor Parney also paid tribute to the government agency responsible for maintaining an adequate, efficient and economic American Merchant Marine in noting the fact that on Monday, May 24th, the Maritime Administration of the U. S. Department of Commerce will celebrate its 15th anniversary.

## Three Counties Ban Commercialized Bingo

A ban on all forms of commercial bingo was ordered this week by state attorneys of Madison, St. Clair and Monroe counties who said the game is a violation of state gambling statutes.

They said that the type of sponsorship, as fraternal, civic service and church organizations, has no effect on the legality of bingo.

Issuing a joint statement following a conference on Monday were State Attys. Joseph R. Barylak of Madison county, John M. Karns jr. of St. Clair county and Floyd E. Crowder of Monroe county. The statement said:

"The illegality of bingo is not dependent upon the sponsorship of the activity, and law enforcement officers are expected to discharge their duties with respect to the gambling laws as well as all other laws of the state of Illinois."

"Efforts to locate all bingo operations in the tri-county area are being made, and appropriate actions and prosecutions are contemplated to eliminate commercialized bingo in our three-county area."

## Price Announces Academy Exams

Rep. Melvin Price today announced that a Civil Service competitive examination will be held in Alton and East St. Louis on Monday, July 12, 1965, for young men who are interested in attending one of the U.S. service academies.

The results of these examinations will assist Congressman Price in making his selection of nominations to be submitted for consideration to each of the following Academies: U.S. Air Force Academy, Colorado Springs, Colo.; U.S. Military Academy, West Point, N.Y.; U.S. Naval Academy, Annapolis, Md.; and U.S. Merchant Marine Academy, Kings Point, N.Y.

Young men, between the ages of 17 and 21, not having reached the age of 22 by July 1, 1965, are eligible to compete. Further information may be obtained from the Honorable Melvin Price, 2468 Rayburn House Office Building, Washington, D. C., 20515.

## GC Twp. Relief Drops in April

Relief costs in Granite City township amounted to \$5997 in April with 96 families including 242 persons receiving the assistance.

The relief total showed a drop from the March totals of 101 cases with 278 persons and costs of \$7338. The total cost of relief for the first two months of the current fiscal year now amounts to \$13,335, compared to \$23,749 for the same period last year.

Relief figures for April 1964 were—108 cases with 307 persons and costs of \$8853.

## Webster School Added To Recreation Program

Plans are being made for use of seven Granite City grade schools—Logan, McKinley, Marshall, Wilson, Webster, Niedringhaus and Nemo—in the 1965 summer recreation program of the Granite City park district. Webster school is a new center for the program.

Hours for the activities will be 9 a.m. to noon and 1 to 3:30 p.m. A room at Niedringhaus school will serve as meeting place for a pre-school recreation group.

An estimated 500 Rotarians from 46 clubs in west central Illinois will begin their two-day session with a Friday luncheon at which Wilbur V. Lewis, Kansas City, Kan., will speak. A retired business executive, he is a 1964-65 Rotary International director.

Edmund H. Harding, North Carolina humorist, will address a banquet Friday evening, with District Governor Ben D. Kingham, executive director of the Illinois Puerilex Association, presiding.

Four business sessions are scheduled during the conference, which has as its theme, "Live Rotary." Activities will conclude with the governor's banquet and ball Saturday night.

Ernest Tomosovsky of Edwardsville is to be the next district governor, and his club is to be host to the 1966 conference, with Granite City, Madison and Collinsville Rotarians as co-hosts.

## Battery Charge Filed

Tom Carney, 22, of 2435 Logan street, was arrested at 6:10 p.m. Tuesday on a battery complaint signed by Granite City police. He pleaded not guilty Wednesday morning and a hearing was set for May 24 by Magistrate Merlin Hiscott, who set property bond at \$2500.

## TRAFFIC SAFETY

(Continued from Page 1.)

motorists past his home. The front porch engineer talks to his aidman — and a stop sign goes up. The near accident or actual crashes continue and the speeders ignore the stop or gun their cars away from it. Quad-City Safety Council officials are concerned that no gauge is used for erecting stop signs and that movement of traffic in the city is being choked off, increasing safety hazards.

Police fear that once there are four-way stops at all intersections — or maybe even before someone will come up with the idea of putting stop signs in the middle of the city blocks. A quick look at a map prepared by the Safety Council and the Chamber of Commerce shows too many traffic controls that are too close together. Studies show that even the most considerate motorist will tend to ignore all stop signs just because of the misuse of the device to slow rather than stop vehicles.

The Quad-City Safety Council is calling attention that the Belleville and St. Louis have similar problems and now are taking steps to seek professional advice on traffic controls and at the same time are taking "the stop sign monkey off the city council's back."

## MAYOR CITES

(Continued from Page 1.)

of the new Interstate 270 Mississippi River bridge nearby remains in doubt, he said.

The past revenue has provided the city's corporate fund with \$100,000 a year and the city has enlarged a "nest egg" to more than \$2 million. "We will have to do something this year," he said, adding that pressure on taxpayers may be eased, since the city could draw \$65,000 to \$75,000 a year in interest without touching the principal amount.

Annexation of East Madison and rural areas beyond, necessary for the growth of Madison, now hemmed in from other sides, he commented. Now that the city borders the area on three sides, Mayor Maeras said he believes it can be annexed by council action, or a referendum could be called. The city's legal counsel is to investigate.

The mayor said he thinks

taking steps to seek professional advice on traffic controls and at the same time are taking "the stop sign monkey off the city council's back."

90% of the East Madison population now favors annexation, while 15 years ago most were against it.

The cost to the city to support that area would be \$25,000 a year, while it would provide only \$10,000 in taxes, he estimated, adding that this could pose a problem to city residents who would have to bear the extra costs. But, in five to 10 years, the tax base there might be high enough to make the area self-sufficient, he said.

Alderman Comments Noting that most homes in East Madison are old, Fourth Ward Alderman Steve Kelo disagreed, saying "I don't see where it would be worthwhile."

The mayor again pointed to the rural area beyond — "We can go up to a square mile" — but added that East Madison residents would have to comply with city ordinances.

He pointed out there could be no outhouses or cesspools, and such improvements as sewers, sidewalks and police protection would be required. He proposed a survey by the city engineer to bring data, including the assessed valuation of the area, up to date.

He also asked the aldermen to "think about these problems," and he called for "frank opinions."

# Districts in Three Sports

District tournaments in three sports are scheduled by the Illinois High School Association this weekend and early next week.

Madison high school will be host for the four-team baseball meet at 4 p.m. Monday, Tuesday and Wednesday. Trackmen from 27 schools will compete tomorrow at Alton's Public Schools Stadium, with preliminaries at 4:30 p.m. and finals at 7 p.m. Golfers representing 19 schools will tee off at 8 a.m. tomorrow at Lockhaven Country Club north of Alton with Wood River high as host.

The baseball district features three of the area's top teams—East St. Louis Assumption, Granite City and Collinsville. Madison, although owning a 3-2 victory over Granite City, will be the underdog.

Assumption's Pioneers, relying on pitcher Glenn Flake for most of the victories in a 15-3 season, meet the host Trojans in Monday's opener. Madison (3-7) has right-hander Tony Williams, who beat Granite City on four hits.

The Warriors, standing 14-9-1 including three losses by forfeit, take on the Collinsville Kahoks (18-7) Tuesday. CCHS has had solid pitching from the likes of Doug Winfield, Bruce Thompson and Bill Evans but the hitting has been sometimes absent—as in Monday's one-hit loss to Collinsville ace Harry Parker.

The champion advances to the May 17-19 Granite City regional along with winners at Alton, Edwardsville and Cahokia. The sectional will be May 24-26 at Staunton and the state finals June 3-4 at Peoria.

## Big Three Battle

This year's Big Three of prep track will be battling again tomorrow in the Alton district. The triumvirate, of course, includes East St. Louis, city-rival Lincoln and defending state titlist Alton. So far, the Flyers and Tigers have dominated the champion Redbirds.

Granite City's best bet to qualify for the May 14-15 state finals at Champaign appear to be pole vaulter Duane Bridges, shot putter Jerry Line and sprinter Leonard "Rocket" Revelle. To qualify athletes must finish first or

second in a district event or equal a specified time, height or distance in an event.

In last week's East St. Louis relays, Bridges vaulted 12 feet, 11 inches—three inches over the qualifying height—and Line tossed the shot 52-8—eight inches farther than the IHSAA requires. Revelle has run a .22 in the 220 which has a qualifying time of .227.

Top Madison individuals in the meet will include Jim Lane in the 220 and Eddie Ingram in the shot put. Other qualifying marks are: 100-yard dash, 10.2; 440 dash, 31.5; 880 run, 2:00; mile run, 4:35; 880 relay, 1:33; mile relay, 3:32; high hurdles, 15.4; low hurdles, 2:05 (straightaway) or 2:08 (one curve); discus, 150 feet; high jump, six feet; and broad jump, 21-9.

Madison is also entered along with Belleville, Alton, Belleville, Bethalto, Breese Mater Dei, Cahokia, Centralia, Collinsville, Columbia, Dupu, East St. Louis Assumption, Edwardsville, Greenville, Highland, Jerseyville, Mascoutah, Mulberry Grove, O'Fallon, Piasa, Southwestern, Rosana, St. Jacob, Triad, Staunton and Wood River.

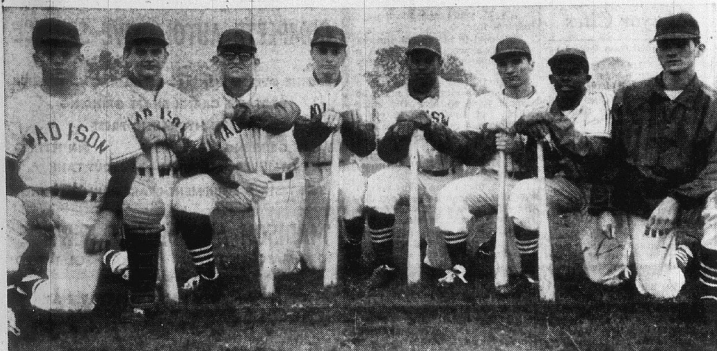

## Belleville Favored

Southwestern Conference champion Belleville is the golf district favorite and Granite City and Alton are considered in the running, too. The Maroons won the meet last year and this week will arrive with the conference title, leading the Warriors by 25 strokes.

The winning team and two individuals at each of the 15 golf districts advance to the state finals May 18-19 at the University of Illinois. Others in the local tourney are Carlinville, Centralia, Collinsville, Assumption, Edwardsville, Hillboro, Leland, Litchfield, O'Fallon, Palmyra, Northwestern, Salem, Sparta, Trenton, Wesen, Vandalia, Wood River and Worden.

Belleville won the tennis district last week and Granite City finished second but did not qualify any individuals for the state. Belleville will send two singles entries and one doubles entry with Alton providing the other doubles team.

Defending state champion teams in the four sports are: Springfield Griffin in baseball, Alton in track, Arlington Heights in tennis and Bloomington in golf.

HOPEFUL OF UPSET VICTORY in next week's district tournament, these are some of the front-line players on the Madison high school baseball team. From left are Tom Williams, Ron Davis, Marv Owca, Gary Hildreth, Alton Rendell, Steve Shipcoat, Lou Rolliff and Greg Wosylak. The three-day tourney opens Monday on the Madison diamond.

## Unbeaten Sox At Mitchell For I-C Game

Maryville's undefeated Red Sox visit Mitchell A.C. at 2:30 p.m. Sunday in Southwestern Inter-City League baseball play. The game will be played on a diamond near Mitchell school.

Manager Jack Kettles' Sox have knocked off Pocaahontas 3-1 and St. Clair Heating 9-5 in their two games this season. Mitchell, directed by Wendell Curry, lost to Sacred Heart 4-3 but bounced back to clincher Troy 22-10.

Sacred Heart will be home to the Troy Redbirds on Wilson Park No. 1 here while Mercer Funeral Home makes the lengthy trip to Pocaahontas. The latter team has a 2-1 record; the other three clubs stand 1-1. Other games have St. Clair of East St. Louis visiting the Maryville A-C Contractors and Collinsville Kahok Bowl at Polish American War Veterans at Jones Park. East St. Louis, Collinsville and St. Clair, last year's divisional winners, are the league's only winless team in 1965.

THREE TOP ENTRANTS in the district track meet are Granite City's Leonard Revelle (left), Jerry Line (center) and Duane Bridges. Revelle has been timed in .22.8 in the 220 and 10.3 in the 100; Line's best shot put has been 54 feet, three inches, and Bridges has crossed the pole vault bar at 12 feet, 11 inches. Revelle also anchors the crack 880 relay team, running a .22.1 for 220 yards at the Mattoon Relays.

## Locals are Beaten In Prep Dual Meets

Both local prep track teams were defeated at home Tuesday in warmups for tomorrow's district meet.

Collinsville edged Granite City 58-58 and Highland overwhelmed Madison 88-29 in a meet originally scheduled for Wednesday.

Leonard "Rocket" Revelle won the 220-yard dash in 22.8 seconds, one-tenth of a second off the Granite City school record and the state qualifying time. He also took the 100 in 10.4.

Coach Jim Morrison said that Revelle will enter the district 220 and 880 relay, but if he fails to qualify in the 220, will anchor the mile team, which also has a good shot at the state finals.

Jerry Line won the shot put at 51 feet, 1 1/2 inches but another district hope, Duane Bridges, passed up the pole vault competition for fear of throwing his timing for the big meet. He plans to use the East St. Louis pole, which carried him 12 feet, 11 inches in last week's trials.

Bill Davis won three events in the sophomore division, won by Collinsville 62-56.

Broad jumper John Washenko and shot putter Jim Ingram won the only first for Madison against Highland. Sprinter Jim Lane was hampered by bad starts in the 100 and 220.

# Big Game Tomorrow For Tribe, Kahoks

Four teams — Granite City, Belleville, Collinsville and Alton are tied for first place in the Southwestern Conference prep baseball race enters the home stretch.

All four clubs own 7-4 conference marks with one game left. Granite City's Warriors must defeat the Collinsville Kahoks tomorrow at Wilson Park to gain at least a tie for the championship. Game time is 4 p.m.

Two other games which ended in ties previously must be played off, but so far no dates have been set for the Belleville-Wood River and Alton-Edwardsville contests.

Last season, Collinsville and Edwardsville were tied for first and didn't meet until after the post-season tournament series. Since the district tourneys open Monday, the coaches probably won't reschedule the games until their teams are eliminated.

**Parker Whips Warriors.** Collinsville, behind the district pitching of Harry Parker, topped Granite City 6-0 Monday to gain a spot in the district tourneys. The Kahoks credited Parker with a no-hitter but the Warriors believe Bill Cox's two-out line drive in the seventh — missed on a shoestring attempt by the center-fielder — was a fluke.

At any rate, Parker was untouchable. After hitting lead-off man Greg Patton in the first, he retired 20 batters in succession before Cox poked. He struck out eight, walked none. He is expected to pitch again tomorrow against the Warriors' Bruce Thompson.

Yesterday, the Warriors were defeated 6-3 by the powerful Al-

# Karandjeff Pars Course at Depot But Team Loses

Granite City golfers came within seven strokes of Belleville Tuesday at the Army Depot course, losing 151-158. Gerald Karandjeff's 36, including birdies on Nos. 2 and 7, paced the Warriors.

Rick Ernst of Belleville also paced the course with three birdies, on Nos. 1, 4 and 6. Other birds by Granite Cityans were Bill Hentley's on No. 4 and Mike Huff on No. 2.

Coach Harry Lane's Warriors finished second in Monday's Southwestern Conference meet at Rock Springs, Alton. Scores were Belleville 307, Granite City 353, Alton 324, Collinsville 345 and Wood River 361.

Karandjeff had an 18-hole total of 77 to tie for third in medalist standings. Other scores were Terry Tessary 79, Bill Hentley 80, Bob Wheeler 88, Jack Brish 91, Paul Greve 93 and Jim Moran 100. Only the low four individual scores count in a team's total.

**Hoffek Sidelined By Shoulder Injury.** Bob Hoffek, Granite Cityan, hitting .418 with the Eastern Illinois University baseball team, has been sidelined for the season with a shoulder separation.

Hoffek was injured diving for a foul ball in last weekend's doubleheader at the University of Wisconsin-Milwaukee. The first sacker had stroked 13 hits in 29 at-bats for the Panthers and had five runs batted in.

A pair of Granite City second basemen on the team, Glenn Hoffman and Larry Dak, are meeting Tuesday night. It also will enter a softball team in a district league this season.

# Wildcats Win, GC Teams 2-3 In JHS Track

Edwardsville's Wildcats won nine of 15 events and were easy victors in the third annual Madison County Junior High School Conference track meet Monday at Granite City high school.

The Edwardsville team scored 77 points. The two Granite City schools, Prather and Collinsville, finished 23rd with 37 and 33 1/2 points. Next were Collinsville North 30 1/2, Collinsville West 28 and Roxana 7.

Three conference records were broken, all by Edwardsville boys. Louis Johnson zipped to victory in the 220-yard dash in 22.7 seconds. Ken White won the 100 in 10.7 seconds, and Mike Miller broad jumped 19 feet 3 1/2 inches.

There were two Granite City winners as Mike Ross of Prather won the 120-yard low hurdles over 10 in 16.2 and Gary Reed of Coolidge won the five-hurdle race in 15.2. Ross was leading the latter but fell over the last hurdle.

Prather seconds were by Carl McDowell, broad jump; Pat Reese, broad jump; Tom Reynolds, 100-hurdles; Roger McGee, 880 and Reynolds, Ross, Rich Timmons and Carl McDowell, 880 relay.

Also for the Chiefs, Dave McFarland was third in the broad jump. McDowell was fourth in high jump and the 220. Bob Tindall was fifth in discus and Roger Reiche fifth in shot put, and the mile relay quartet was third.

Winning places for the Coolidge Braves were Doug Wickham, second in shot put; Ron Sheppard, third in 440 and 880; 880 team, third and mile team, fourth; Mickey Walker and Dave Mullens, third and fourth in 10-hurdles; Gary Knuckles and Jim Gilmore, fourth and fifth in pole vault; Al Campbell and Rick Bartlett, fourth and fifth in the 100 and Dove Saitch, fourth in discus.

# MBC Club Loses Softball Opener

Host Ballwin defeated Mathews-Blue Circle 3-0 last night as the Mury League men's softball season opened.

MBC is composed of players from last year's Mathews Chevy team of Granite City and Blue Circle of St. Louis. The club plays under the Blue Circle banner on the Missouri side of the Mississippi and dons Mathews uniforms for non-league games in Illinois.

The losers managed only two hits, singles by Dick Clark and Vern Stout.

# Wildcats Win, GC Teams 2-3 In JHS Track

Edwardsville's Wildcats won nine of 15 events and were easy victors in the third annual Madison County Junior High School Conference track meet Monday at Granite City high school.

The Edwardsville team scored 77 points. The two Granite City schools, Prather and Collinsville, finished 23rd with 37 and 33 1/2 points. Next were Collinsville North 30 1/2, Collinsville West 28 and Roxana 7.

Three conference records were broken, all by Edwardsville boys. Louis Johnson zipped to victory in the 220-yard dash in 22.7 seconds. Ken White won the 100 in 10.7 seconds, and Mike Miller broad jumped 19 feet 3 1/2 inches.

There were two Granite City winners as Mike Ross of Prather won the 120-yard low hurdles over 10 in 16.2 and Gary Reed of Coolidge won the five-hurdle race in 15.2. Ross was leading the latter but fell over the last hurdle.

Prather seconds were by Carl McDowell, broad jump; Pat Reese, broad jump; Tom Reynolds, 100-hurdles; Roger McGee, 880 and Reynolds, Ross, Rich Timmons and Carl McDowell, 880 relay.

Also for the Chiefs, Dave McFarland was third in the broad jump. McDowell was fourth in high jump and the 220. Bob Tindall was fifth in discus and Roger Reiche fifth in shot put, and the mile relay quartet was third.

Winning places for the Coolidge Braves were Doug Wickham, second in shot put; Ron Sheppard, third in 440 and 880; 880 team, third and mile team, fourth; Mickey Walker and Dave Mullens, third and fourth in 10-hurdles; Gary Knuckles and Jim Gilmore, fourth and fifth in pole vault; Al Campbell and Rick Bartlett, fourth and fifth in the 100 and Dove Saitch, fourth in discus.

# MBC Club Loses Softball Opener

Host Ballwin defeated Mathews-Blue Circle 3-0 last night as the Mury League men's softball season opened.

He fired a 685 series; the winning score was 727 by Rich Wilkus of St. Louis. Morgan has also received trophies for his role in leading teams in Pine Lawn and Ferguson, Mo., league championships. Son of Mrs. Doris Syniske, 900 Alton avenue, he is a graduate of Assumption high school in East St. Louis.

# JHS Diamondmen Win Four Games

Baseball teams from Coolidge and Prather junior highs won four games and lost one this week.

Coolidge's Braves dominated Alton East 1-0 in eight innings Monday as Jeff Jones pitched a three-hitter, striking out 10 and walking two. The winning run scored when Gary Simpson singled, went to second on a foul pop out and scored on pinch-hitter Joe Lehne's single over third base.

Yesterday, the Braves topped Belleville 15-8 as David Sheison, Russell Roeth, Mike Doehant and Jones had two hits each. The Braves are unbeaten in six games.

The Prather Chiefs lost yesterday to Freeburg 8-4 but slammed Edwardsville 10-0 Tuesday and edged Roxana 5-4 Monday. The Chiefs have a 3-5 record.

Barry Lloyd had two hits and walked twice against Freeburg while Roiger Coughlin batted a three-run homer and a triple against Edwardsville. Don Rains pitched a four-hit shutout in the latter game.

Tom Laws hurled the win over Roxana, retiring the last 14 batters in succession. Dennis Withers had two hits and Coughlin had a triple.

### Weed Fire, No Damage

Nameoki station firemen were called to a weed fire Wednesday morning in a field behind the 2500 block of Lynch avenue Bank, 20th street and Edison avenue. There was no damage.

### Parked Car Damaged

James Fiedler, 3304 Bradley avenue, reported at 10:30 p.m. Tuesday that a hit-and-run driver damaged the right side door of his auto parked on the lot of the First Granite City National Bank, 20th street and Edison avenue.

## Annual Mexican Fiesta Will be Held Saturday

Colorful costumes and authentic Mexican dances and foods will highlight the forty-first annual Mexican Fiesta "Cinco de Mayo" slated to be held at 8 p.m. Saturday in the Hungarian Home, 1801 Spruce street.

A large crowd is expected for the festivities. Steve Ortiz, president of the Mexican Honorary Commission, is inviting the public to attend. Donations are 50 cents for adults and 30 cents for children.

Over 50 local youngsters will participate in a variety show to be directed by Mrs. Elva Ortiz, assisted by Ray Braconotes, Mrs. Mary Scanlan and Terry Valencia. Dancing to the music of a Latin-American band will follow the variety presentations.

The celebration commemorates the 103rd anniversary of the "Battle of Puebla" in which Mexican patriots defeated the French Army on May 5, 1862. Similar observances are carried out throughout Mexico and the United States.

### Carburetor Backfires

Granite City firemen were called at 10:50 p.m. Tuesday to 2200 Lincoln avenue where a carburetor backfire caused \$75 damage to a 1960 station wagon owned by Thomas Hatchings, 2822 Nameoki road.

### Traffic Signal Charge

William L. Hofstet, 3107 Edwardsville road, was arrested Tuesday on a charge of disobeying a yellow traffic control signal at Madison avenue and Nameoki road. A hearing was set for May 19.

## 2500 Tour Alton State Hospital at Open House

Hundreds of visitors toured Alton State Hospital this week in response to open house which lasted from 1 to 4 p.m.

Tours were the mainstay of the attractions offered to the "Neighbor's Day" crowd. Collaborating with the hospital in the event were several public welfare agencies from Madison and St. Clair counties. Open House is part of Mental Health Week which is being observed throughout the country May 1-7.

Three types of tours were available. They were medical, cottage life and activities therapy and industrial tours. They were designed to show nearly every facet of the hospital operation, as well as to disclose the services offered by the various welfare agencies.

Visitors were escorted in parties of 20 to 25 people by employees working as guides. Helping out with traffic and pedestrian control were 12 area Boy Scouts who worked in cooperation with hospital security forces. Milton Morgan, chief security officer, estimated the attendance at 2500.

Various hospital departments and community agencies were included in the medical tour which featured exhibits shown in the Recreation Hall. The displays portrayed through illustrations and actual equipment the processes carried out by each hospital department and public agency represented.

## Gun Dropped in Tavern, Man Wounded in Foot

Robert Graham, 36, of Alton, was shot accidentally in the right foot at 12:50 p.m. Monday at Margie's restaurant and lounge, Highway 162, and was admitted to St. Elizabeth Hospital.

The Madison county sheriff's office said that a 25 caliber pistol, which had been set on a money bag, dropped to the floor and discharged as Graham reached for the bag. After talking to Graham and Margaret Barylske, partners in the tavern, deputies reported that the bag was to be delivered to a bank. The bullet entered Graham's foot at the outside of his instep and came out on the inside. He was taken to the hospital.

## 'Get Out the Vote' to be Permanent Chamber Project

The Tri-Cities Chamber of Commerce board of directors voted Tuesday night to establish "get out the vote" campaigns as a regular project prior to elections held in the Quad-City area.

No specific candidates, parties or groups are to be aided. The belief is that large election turnout fosters good government.

Acting on the recommendation of its Citizenship Committee, the board also authorized the committee to confer with area media and to urge revision of a radio station's policies. Apparent violations of the law and of good taste were cited in the board discussion.

This year's voting drive of the Chamber included a public meeting at which Granite City mayor candidates spoke on designated topics, preparation of school board membership guidelines, and distribution of "Vote April 6-10" lapel buttons in Granite City. The mayor forum was jointly conducted by the Chamber and Quad-City Ministerial Association.

**More Candidate Forums**  
It was decided Tuesday night to continue sponsoring mayor candidate forums; to seek to develop school board candidate meetings in cooperation with the Area Parent-Teacher Association Council and the Ministerial Association; to distribute a large number of voting buttons in the future; and to utilize loud-speaker vehicles and perhaps telephone committees on election days to encourage voter participation.

Contact will be made with legislators to determine if there is statewide sentiment for holding school elections further apart from primary, municipal, park and township elections.

Only several days currently separate such elections, diminishing interest in school voting, the Education Committee noted.

**Assist Gifted Students**  
The board approved Chamber

participation in the Granite City school district's new gifted pupil program, which will begin next fall. Members will be asked to speak to school classes on vocations or hobbies as a means of broadening students' understanding of business practices, career fields and leisure and cultural activities.

Attention was called to the annual Chamber membership drive May 12, a recognition dinner honoring Granite City Army Depot soldiers May 13 and the annual Chamber "play day" to be held June 3 at Sunset Hills Country Club.

President Carl E. Mathias appointed Howard Wellman as new chairman of the Citizenship Committee, succeeding Leo Koenig, who will remain a committee member.

**Mayor Partney Participates**  
Mathias welcomed back as a board member Donald Partney, new mayor of Granite City, whose elective office now makes him an ex-officio Chamber director. Madison and Venice mayors also are automatically board members, and the Ministerial Association has an associate position on the Chamber board.

Partney participated in board discussions and pledged municipal efficiency and full-time service as mayor, adding that he will call on the Chamber and others for aid and cooperation in various improvement programs. Mathias and Chamber Manager Ford C. Giesert reported on the U.S. Chamber of Commerce meeting in Washington, D.C. last month and Mathias addressed the board on the importance of local initiative and efforts to convert the Quad-Cities' bright potential into the reality of "a better community in which to live and work."

**Meet With Retailers**  
At the suggestion of the Associated Retailers & Civic Association, the board authorized Mathias to name a committee to meet with a similar committee

representing the Retailers. Neighborhood group has taken a stand on increased coordination or consolidation of Retailer and Chamber activities, but those conferees will attempt to determine whether such steps would be feasible.

**Stop Sign Problem**  
A report showed that proposed creation of a scenic park on the site occupied by the former downtown post office is progressing, with appropriate actions being taken by governmental officials at the local and federal levels.

About \$28,000 has been contributed by neighboring property owners and Quad-City industries toward the cost of purchasing post office block and razing the building.

Downtown development plans were reviewed by Chairman An-

thony E. Michel, and Transportation & Highway Chairman Melvin O. McKey reported successful solution of a Mitchell highway bypass sign problem and progress in regard to widening of Nameoki road and extension of the riverfront highway.

**General Discussion**  
Cooperation with local cities and with the Quad-City Safety Council was planned as part of the Chamber's continuing effort to have stop signs and other traffic controls coordinated with an objective plan based on established traffic safety procedures.

A general discussion led to plans for increased emphasis on Chamber services in Madison and Venice.

Cemetery lot sales practices were discussed briefly.

**Attend Funeral Here**  
Out-of-town relatives here to attend the funeral of Perry Pyle, who died Monday at St. Elizabeth Hospital, were Dr. S. J. Pyle, Cleveland, O., Mr. and Mrs. W. A. Pyle, Altona, Ill., Mr. and Mrs. Ronald Jennings and daughter, Marjorie, Mr. and Mrs. Larry Borchert and daughter, Angela Sue of Des Moines, Iowa, Edward Jennings, Ames, Iowa, and Robert Pyle of Evanston, Ill.

## Rites for Mrs. Howard Held in Florissant, Mo.

Funeral services were held for Mrs. Joel Lois Howard, 38, of Florissant, Mo., at 9:30 a.m. today at Our Lady of Fatima Church, Florissant. She has friends residing in the Granite City area.

Mrs. Howard died Monday in a hospital following a sudden heart attack. Survivors include her husband, Donald N. Howard, and seven children.

Fifty-three members and guests were seated for a luncheon. Mrs. L. Kacaleff introduced the president of the club, Mrs. John Tarpoff. She welcomed the members and guests and presented a brief resume of the organization, reading the names of chapter members.

Mrs. Michael Andria was presented as current vice-president and the first president of the club when it was organized. She gave a memorial for deceased members. Mrs. Paul Kly, assisted, secretary and past president, gave a report on activities of the club. Mrs. John Malincheff gave a report.

Those named and Mrs. George Gitchoff, Mrs. Harry Lauford and Mrs. Phillip Rokeff, past presidents, were presented with large mum corsages by Mrs. John Kacaleff, who assisted. Mrs. Kacaleff in the program arrangements.

The presidents of the following clubs were introduced: Miss Vasil Grammatikoff of the Bulgarian Ladies Society, Miss Michael Andria of the Sisterhood of Holy Trinity Eastern Orthodox Church and Mrs. John Kacaleff of the Macedonian Patriotic Organization. Each spoke briefly after the introduction.

Each guest was introduced. Prizes of floral arrangements were given to Mrs. Christ Pashoff, Mrs. Jake Hinterser and Miss Mary Elieff.

At the conclusion of the program, the group visited the Shrine of Our Lady of the Snows. Mrs. George Eltmoff, president of the organization and now a patient at St. Elizabeth Hospital, sent greetings to the group. Mrs. John Kacaleff, a past president, is visiting relatives in Macedonia and Bulgaria.

A buffet luncheon was served.

## Competitive Bid Plan Urged for Venice Schools

Establishment of firm competitive bidding practices by the Venice school district was requested Monday night by Board Secretary Roy Musick, who also sought increased participation in various projects and responsibilities by board members appointed to committees.

Competitive bids are sought on some purchases made by the school district, Musick said. However, he added, no positive bidding policy is carried out consistently.

He suggested that bids be asked on any purchase over \$50. Amounts of \$75 and \$100 over which bids would be sought were proposed by other board members, who in general indicated they agree with Musick's proposal.

During a spirited discussion of bidding procedures, Board Member Leo Davinoy commented that problems arise when almost identical bids are received from local merchants and from firms in other areas. He added that he prefers to see local firms continue receiving school district business. Although agreeing in principle, Musick said he feels the board should buy where it is cheapest.

Authorizations by Employees—Musick voiced objections to "just anyone" having the authority to approve purchases.

He related an incident in which a school maintenance employee authorized replacement of a roof at a cost of about \$900. Musick said that he was unaware of the roof project until the bill was presented at a later board meeting. Last year Musick was chairman of the building committee.

He said he has no objection to the purchase of minor emergency items by school employees.

Musick further protested purchase of regularly-used supplies in single or small quantities, thereby increasing the cost.

No decision was reached by the board on the bidding procedure and the discussion was terminated when Board President Michael Leatherman Jr. asked the purchasing committee to study the issue and present a recommendation at the June meeting.

School board committees appointed Monday night by Leatherman also personnel. Harold Seibert, chairman; and Davinoy and Fred Durer, finance; Musick, chairman; and Elmer Taylor and Duver, purchasing. Seibert, chairman, and John Gortnerman and Musick; and building, Davinoy, chairman; and Taylor and Gortnerman.

Move Science Laboratory—Transfer of a fully-equipped science laboratory from the now-closed Lincoln high school to the Venice school was discussed at length, with the board deciding to hire Allied Supply Co. of Decatur to dismantle and then reassemble the equipment in the new location.

Cost of relocating the laboratory in a classroom previously used as a television room was estimated at \$1500. The new science study area will contain 24 work stations. Supt. John Pier said, with gas pumping and other necessary installations to be included in the overall cost. The firm awarded the contract is the same company which handled the original installation, he explained.

Bills authorized for payment from the educational fund totaled \$13,112 and included \$3155 teachers' retirement system; \$6544 withholding tax; \$1175 Steele-Kunnen Agency workmen's compensation; \$288 Illinois Municipal Retirement Fund; \$381 hospitalization; \$289 Union Music; and \$344 Venice Gas & Oil Co.

Other payments included \$1310 for lunch bills, \$1214 from the building fund and \$886 as the board's share of contributions to the municipal retirement fund.

## School Officials Confer With State Legislators

Madison county school administrators and officials attending a legislative conference at Springfield Tuesday evening were Granite City School Supt. Russell D. Johnson, President Monroe Worthen, George Moore and Joyce Timmons of the Granite City school board and Joseph Naglich of the Madison high school faculty.

Legislators conferring with the school delegation were Sen. Paul Simon, Rep. Ralph Smith and Rep. Leland Kennedy. They indicated that a state aid increase is likely to pass but that revenue measures to finance it are less certain.

## Boy Receiving Rabies Shots, Dog Still Sought

Jerry Allen Hall Jr., 3109 Kirkpatrick Homes, is starting to receive anti-rabies shots but the dog which bit him on the mouth last week is still being sought, his mother, Mrs. Robert Butler, reported this week. The painful series of shots could be halted if the dog was located and found to be not rabid. The incident took place in the Kirkpatrick Homes area. The dog was reddish brown in color and of medium size.

## Madison Rotary Hears

### Explanation of Bible

The Bible was described as the best selling book in the world—but one that is little read in many homes—in an address to Madison Rotarians yesterday by one of the club members, Rev. Harry Colquhoun, pastor of the First United Presbyterian Church of Madison.

The speaker said that while many of its descriptive sections are symbolic rather than giving precise data, the Bible contains great meaning for mankind today, many centuries after it was written. President Lawrence Falkes presided, and further plans were made for Granite City-Madison golf competition in June and for an installation banquet June 16.

The Venice Methodist Church was held Monday evening in the church office. Reports were given.

A discussion was held on an annual conference to be held in Collinsville later this month. Also discussed was the "Every Member" canvass, with Clifford Caylor named as chairman.

Members present were Mr. and Mrs. Henry Bibrey, Mrs. Mattie Deason, Mrs. Juanita Lundy, Mrs. Magdalena Smith, Mrs. Mabel Baker, Rev. Omer Jones and Mr. and Mrs. Lloyd Patterson.

A bantam Khoury league baseball team, sponsored by the Venice police and fire departments, will be managed this year by Terry Cooper and Jerry Devany.

Coaches named are Frank McGee and Harold Stinson.

League games will start the week of June 7 at Lee Park, Venice and the Madison baseball diamonds.

SINGERS ALL ABOARD for a free-travel trip to Chicago for 69 members of the Advanced Mixed Chorus of Granite City high school. They left Wednesday morning from the Granite City depot and will return Saturday.

## 69 Vocal Music Students Tour Chicago This Week

Sixty-nine vocal music students from Granite City high school are in Chicago this week for their annual tour. They left with four chaparrons, by train Wednesday morning and are to return Saturday.

On the itinerary was a bus tour of the city Wednesday night, including Chinatown and a stop at the Prudential building, second highest point in Chicago. They sang two concerts today at Revis high school, which this year tied Granite City for the state wrestling championship.

A day-time tour is scheduled for Friday and includes the Museum of Science and Industry,

Museum of Natural History, McCormick Place and Shedd Aquarium. Tomorrow evening the group will dine at the Black Hawk restaurant and see "The Sound of Music."

List Students

On the tour are Emery Ackerman, Judy Amberg, Gary Andrews, Ronald Asbeck, Mary Asher, Mike Beasley, Carolyn Bertachio, Bruce Bowers, Debbie Brown, Mary Burnley, Mary Carroll, Diane Cavins, Ellen Chapman, Jonella Clements, Cheryl Colwell, Cynthia Crews, Janet Darjakian, Kathy Deutschman, Cheryl Dorth, Marsha Galloway, Leslie Hall, Larry Harris, Robert Hill, Stanley Hoffman, Dixie James, Mary Jesse, Danny Jones, Judith Kerch, Dennis Kilmer, Linda King, Sharon Koch.

Alex Kovach, Nancy Layman, Mary Lewis, Carole Loman, Joan Maddox, Kenneth Marler, Kathleen McCalla, Diane McGovern, Phillip Minner, Mary Mobley, Jeneal Myers, Pat Pierce, James Fandis, Gerald Roak, R. J. Russell, Barbara Schmitz, Mary Schuler, Carol Seibold.

Larry Smalle, Barbara Smith, Steve Stumps, Barbara Stephens, Marilyn Stues, Clara Takamajan, Ramon Talley, Mary Tapp, Judy Travis, Linda Treadwell, Judith Vetter, Frank Vivot, Raymond Voorhees, Sheila Gibbs, Johnny Langston, Steve Langston, Terry Gage and Mike Farrell.

Chaparrons are Warren Simpkins, vocal music director, and Mrs. Simpkins, Ted Noeth and Miss Sandra Skubish.

Appointment of an Air Pollution Control board to prepare for the hiring of a technical advisor and enforcement of the new law. Partney invited Whitner to visit him at the city hall and discuss the appointments.

A recommendation by Alderman Rutledge for preparation of a resolution to award a three-year contract to National Disposal Co. of Barrington, Ill. for garbage and trash collection brought brief comment and two requests for deferral. The requests were made by Basarich and Robertson, who said more time was needed to study the \$122,745 bid. No mention was made of the \$102,500 proposal by La-More-United Disposal Co., which is completing a three-year contract.

Motion pointed out National is willing to handle sludge from the city's sewage treatment plant in its landfill operation at no added charge. He estimated the savings would be about \$11,000-a-year to the city. The treatment plant is expected to be placed in operation next year.

Attending Exposition

Charles C. Chapman, chief photographer at the Granite City Army Depot, is spending this week in New York City at the 74th international exposition of professional photography.

## MORE ABOUT

### Overflow Crowd

(Continued from Page 1)

introduce his former companion Fourth Ward Alderman Rutledge. There was one oversight, as newly-elected City Treasurer E. R. "Pat" Rich, who was seated in the jury box of the third floor council room, was not introduced.

Mayor's Family Present

Also in the jury box were members of the new mayor's family—his three sons, Donald Partney and his wife, Carol, and Daniel and David Partney.

All of the mayor's appointments were approved unanimously, with the exception of the new city attorney, Richard Allen, and the corporate counsel, Leon Konzen.

Nonn and Partney opposed Allen's appointment, while

Sturm opposed the naming of Konzen. Based on possible conflict of interest.

There was a brief debate over the title and four-year appointment for Konzen. Several

attorneys, including the post assistant city attorney, were set up only for a year. However, Mayor Partney said statutes provide for a corporate counselor.

Former City Atty. George Filcoff was called upon to

offer an opinion on the ordinance passed several months ago setting up the post of assistant city attorney. It was held by the firm of Calvo and Johnson. Filcoff said the job was temporary and he confirmed the aldermen's belief that the post was to provide assistance for the city

while he was working on the Nameoki road condemnation.

It was pointed out another section of Nameoki road is to be improved south of Madison avenue, and numerous right-of-way parcels will be needed.

Alderman Whitmer, chairman of the Air Pollution committee, asked Mayor Partney to consider appointment of an Air Pollution Control board to prepare for the hiring of a technical advisor and enforcement of the new law. Partney invited Whitmer to visit him at the city hall and discuss the appointments.

A recommendation by Alderman Rutledge for preparation of a resolution to award a three-year contract to National Disposal Co. of Barrington, Ill. for garbage and trash collection brought brief comment and two requests for deferral. The requests were made by Basarich and Robertson, who said more time was needed to study the \$122,745 bid. No mention was made of the \$102,500 proposal by La-More-United Disposal Co., which is completing a three-year contract.

Motion pointed out National is willing to handle sludge from the city's sewage treatment plant in its landfill operation at no added charge. He estimated the savings would be about \$11,000-a-year to the city. The treatment plant is expected to be placed in operation next year.

### Sorority Plans Pledge Training

The Nu Phi Mu chapter of Beta Sigma Phi sorority met Monday evening with Betty Ficker to plan pledge training. A report was made of the Founder's Day banquet April 28. After the business session the committee met to plan the month's events.

The ways and means committee announced the chapter would have a bakery and coffee booth at the Fair in the National Village Shopping Center Friday and Saturday. Refreshments were served to ten members. Mrs. Norma Rains, the sponsor, and Mrs. Venida Hill, advisor.

### DeMolay Mothers Plan Party

The DeMolay Mothers Club met Tuesday evening with Mrs. Martha Ebrecht, president, in charge.

Reports of the secretary and treasurer, Mrs. Louis Mathews and Mrs. Marie Nave, were given, and plans were made for a past presidents party June 1 at the Masonic Temple.

Refreshments were served by Mrs. Betty McClintock and Mrs. Marjorie McCullough. A new member welcomed, Mrs. Helen Hinkle, fifteen club members and 44 DeMolay's boys and their advisor.

### Wild Flower Culture is Topic

The program of the Garden Study Club Wednesday afternoon in the home of Mrs. Dan Seymour on Lake drive was highlighted with an explanation by Mrs. August Thies of the varieties and culture of wild flowers.

The members responded, to roll call with the names of state flowers, and a plant sale was held.

The 11 members made plans to meet in June with Mrs. Marie Lads, 2623 State street.

### Mother-Daughter Party Planned

A mother-daughter dinner party was planned for May 12 by Nu Zeta chapter of Beta Sigma Phi sorority at a meeting last night in the home of Mrs. Janet Boggs.

Also discussed were arrangements for the installation of pledges and officers at the May 19 meeting.

Present at last night's meeting were Barbara Johnston, Barbara Tesler, Carol Mox, Gloria Mundy, Diane Korsog and Charlotte Lewis.

### ATTEND DISTRICT V FLOWER SHOW

Members of the local garden clubs, Cloveview, Gardeners and Garden Study, attended the annual Flower Show of District V, Garden Clubs of Illinois, Inc., Wednesday in Belleville.

The show was staged in the Patio Room of Augustine's restaurant. Mrs. R. J. Bealhardt of Edwardsville was general chairman assisted by Mrs. Stephen P. Shea of Belleville, and the title "Our Fair Lady" paid tribute to the Garden Club directors.

Fifteen clubs were in competition and many awards were made in artistic arrangements, table settings, horticulture and junior divisions. Accredited judges were from Carbondale and St. Louis.

### OEIS PAST MATRONS HOLD MEETING

The Past Matrons Club of Granite Chapter 6509 Order of Eastern Star, was entertained Monday evening in the home of Mrs. Arthur Roman on Route One.

Eighteen were present, including a guest, Mrs. Ida Curren, worthy matron of the chapter, and a short business session conducted by the president, Mrs. Karmyn Edmonds, was followed by games.

Prizes were won by Mrs. Laura Reimers, Mrs. Hilda Griffith, and Mrs. Nannie Meadows. Refreshments were served.

### MOTHERS HONORED AT SCOUT BANQUET

Girl Scout troops of St. Margaret Mary's school were hostesses at a mother-and-daughter banquet held at Lincoln Place community center Tuesday evening.

Three troops were represented and furnished entertainment for the evening. They were Troop 380, led by Mrs. Joan Ruth and Mrs. Mildred North, which gave a short play entitled "Mr. Big," Troop 372, directed by the leaders, Mrs. Billie Schuler and Mrs. Helen Pauched, dances of Holland; and Troop Seven, led by Mrs. Carol Huber and Mrs. Shirley Jensen, songs dedicated to mothers.

Mrs. Schuler introduced several guests to the 60 scouts and parents present.

The guests included Mrs. Margaret Michael, district advisor, Mrs. Doris Votaw, district chairman, and Mrs. Denise Schmidt, troop consultant.

The table was decorated with multi-colored place mats, floral centerpieces and party favors of fans made by the girls.

### CUB PACK 122

#### TOURS FIRE HOUSE

A tour of Engine House No. 1 of the Granite City fire department was enjoyed by Cub Pack 122 Monday afternoon.

Shown to the boys were the trucks, emergency vehicle, kitchen area, radio call system and sleeping quarters, and they were shown how firemen slide down the poles.

The boys were accompanied by den mothers and several other mothers.

Other tours planned for May, in keeping with the theme, "Know Your Hometown," include the Granite City Army Depot, Press-Record and police department.

### GRANT'S FARM TOUR

Neighborhood Two Girl Scouts and leaders are planning a tour of Grant's Farm Saturday. Mrs. Vee Thorne is chairman of the event.

Children Troop 224 met Monday evening with the leader, Mrs. Norma Walton, and a co-leader, Mrs. Ruth Hehle, in the cafeteria of Peabody school.

Plans were made for a trip to Grant's Farm Saturday and a Gallette camporee at Camp Lakota June 11, 12 and 13.

The girls continued to work on badge requirements.

Scouts present were Vicki Antonopoulos, Becky Bailey, Vicki Bagan, Pamela Blinn, Debra Burnett, Debra Hancock, Debra Tucker, Wallene Jones, Sharon Joyce, Pamela Kessler, Donna Kuehnelt, Fatty Nowicki, Eleanor Ragan, Sharon Smith, Paula Walton and Pamela Westbrook.

Junior Girl Scout Troop 45 met Monday afternoon with the leader, Mrs. Loretta Justice, and co-leader, Mrs. Pearl Wells.

They discussed the correct clothing and equipment to be prepared for a camping trip June 4. They also received final instructions for a trip to Grant's Farm Saturday.

Girls answering roll call were Linda Atwood, Beverly Blevins, and Pamela Christner, Sharon Griffith, Marcelina King, Connie Richardson, Sheila Wadsworth, Cynthia Wyatt, Connie Singler, Debra Williams, Lorie Melcher, Rogina Wood and Beverly Williams.

## Two Identified in Madison Robbery

Two of three men held in St. Louis in connection with a jewelry store robbery and the shooting of a police officer have been identified as members of a bandit trio that held up Newman's Liquor Store, 701 Madison avenue, on April 16, and escaped with more than \$600 taken from the store and four patrons. One of the patrons was pistol whipped at the time of the robbery.

Emmett Pazia, Madison chief of police, said the two men, Eugene Smith, 20, and Robert Franklin, 17, both of St. Louis, were identified from a newspaper photograph published after their arrest in St. Louis in connection with the jewelry store robbery and the shooting.

A third man also was arrested, but was not connected with the liquor store robbery in Madison.

Pazia said patrons who were in Newman's Liquor store have identified the two men as two of the three bandits who entered the store, forced the patrons into a rear room, took their money, looted the cash register and fled. Police believe a fourth man, driver of an escape car, also is involved.

The two men were in St. Louis early this afternoon questioning the two men to determine if they were involved in any other Madison robberies or burglaries. Pazia said the men will not be returned to Madison for local prosecution since St. Louis police have filed a long series of charges against them, including charges of assault with intent to kill.

**Burglary, Three Theft Reports in Quad-Cities**

A hungry burglar broke into Carnes collection, 124 Roosevelt street, Eagle Acres, Monday night and took a variety of lunch meats, cakes, cookies, candy, ice cream and six or seven cartons of cigarettes, all valued at about \$30, it was reported to the sheriff's office Tuesday morning. Entry was gained by prying a screen and breaking a green window.

Theft of two brass valves and a section of high pressure brass pipe worth a total of \$250 was reported Tuesday afternoon to Venice police by C. H. Herbst of the Air Reduction Co., plant at Bassett street and the Terminal Tracks.

Herbst told police the thefts apparently occurred during the weekend. Taken were two 100-pound pressure valves worth \$240 each, and a section of high pressure pipe worth \$300.

Jack Usher, personnel director of Owens-Illinois Paper Products Co., Madison, reported to Madison police Tuesday the disappearance of an IBM electric billing typewriter valued at \$500 to \$600. Another manual typewriter also is missing. Both machines apparently were taken during the weekend. Usher said Joe Smith, 2642 Lincoln avenue, reported at 11:30 a.m. Tuesday that a 19-inch power lawn mower was stolen from his back yard after 8 p.m. Monday.

**Ten Boys Arrested In Bicycle Thefts**

Ten youths ranging in age from 15 to 17 were arrested by Venice police Wednesday afternoon and last night in the solution of a long series of recent bicycle thefts. During the roundup, police recovered about 25 bicycles and a large number of frames, wheels and other parts which apparently came from other stolen bicycles. The bicycles were stored in the Venice city hall this morning.

Police said the arrests began Wednesday following a report from Mrs. Ruth Neenan, 505 Mercedola avenue, Venice, that her son's bicycle had been stolen and had been found stripped in a rear yard at 615 Mercedola avenue. Police said they picked up two boys who lived in the neighborhood and who were known to have stolen bicycles in the past. Upon questioning, the boys implicated others who were brought in. Police said questioning resulted in the arrest of 10 boys. Five of these are of parole from the Illinois Youth Commission, police said. They were being held this morning to be turned over to Youth Commission agents.

The bicycles were recovered from homes and hiding places of nearly all of the boys. In some instances the bicycles had been broken down and remade with parts from several different bicycles, apparently in an effort to prevent identification.

**Mrs. Myrtle Hinson Dies After Stroke**

Mrs. Myrtle Mae Hinson, 77, formerly of 40 Moorland drive, died at 2 p.m. Wednesday in St. Elizabeth Hospital where she had been a patient three days. Mrs. Hinson had been a resident of the Caseyville Nursing Home for two years. She suffered a stroke two weeks ago.

Mrs. Hinson was born in Kirkville, Mo., and had been a resident of Granite City 40 years. She was a member of the Mitchell Baptist Church. Her husband, Elmo Hinson, preceded her in death.

She leaves three daughters, Juanita Kopp of Granite City and Mrs. Audrey Burns of East St. Louis; two sons, Sam, a clerk of Granite City, and J. P. McCarty of Lubbock, Texas; a brother, Sam Brummett of Higgins, Texas; two sisters, Mrs. Pauline Grooman of Building 104, and Mrs. Virginia Barnhart of Granite City; six grandchildren, five great-grandchildren and five great-great-grandchildren.

Funeral arrangements are given in today's obituary column.

**Window Washer Falls 3 Floors; Injuries Minor**

A sprained right ankle and a pair of sore heels were the relatively minor injuries sustained Tuesday by a window cleaner who fell from the third floor of St. Elizabeth Hospital and landed on both feet.

James Thompson, 31, St. Louis, attributed his escape from serious injury to the "ground being fairly soft." An employee of the Aetna Window Cleaning Co., he was standing on a third floor sill when the window pane turned and he lost his balance. Treated and released, he returned to the hospital today for therapy on the injured ankle and expects to return to work next week.

**Court Term to Open; School Suit Pending**

Granite City school officials expect a ruling during the Illinois Supreme Court term opening Monday on whether it will agree to hear an appeal of the Coudage Junior high school ownership issue. Court schedules indicate the announcement may be made during the second week of the term.

The death this spring of Mrs. Frieda Kronstein does not substantially alter the case, it has been learned. Title to the land is sought by her son, Harold, who questions procedures followed in 1933 in condemning property placed in trust by his late grandfather.

**Infant, 2 Days Old, Dies in Hospital**

Timothy Scott Smith, two-day-old son of Mr. and Mrs. Harold Smith, 2922 Pershing avenue, died Wednesday morning in St. Elizabeth Hospital, St. Louis, Saturday, it was reported here today.

Besides his parents, the infant also is survived by grandparents Mr. and Mrs. Joe Shoemaker, Overland, Mo., and Mr. and Mrs. M. E. Marchbanks, Paragould, Ark.

Funeral arrangements are given in today's obituary column.

Mr. and Mrs. Esle Kennerly returned home Tuesday night after spending three days fishing at Kentucky Lake and visiting his parents, Mr. and Mrs. M. C. Kennerly of Murray, Ky.

Den One of Cub Pack 98 met Tuesday evening with Mrs. Mary Lou Patterson.

The meeting opened with the pledge and the boys chanted achievements, sang, played ball and closed with a "grand bowl".

Boys present were Ricky Patterson, Freddie Biggs, Corwin Clark, Steve Eaker, Robert Miller and Donald Oehlricher.

**TROOP WINNER ROAST**

Junior Girl Scout Troop 221 enjoyed a winner roast at a Coklahoma Mounds Tuesday evening with the leader, Mrs. Ethel Gettelman, who was assisted by her husband, Jacob Gettelman, and Mrs. Mary Pitts. Mrs. Mabel Kennerly and Anna Gettelman.

The group enjoyed joking and playing ball.

Girls present were Sandy Deatherage, Judy Baker, Judy Meyer, Vickie Patterson, Charlene Kennerly, Sally Gettelman, Susan Paschke, Charlotte Pitts, Sharon Cook, Mimi Midway, Elaine Roustio and three guests, Joyce Pitts, Scott Patterson and Edward Kennerly.

Earl Pat Ryan and his son, Patrick Ryan, returned Sunday after spending the weekend at Big Piney River in Missouri.

Den Three of Cub Pack 98 met Tuesday with Mrs. Viola Lee. The meeting opened with the flag pledge and club promise, and the boys played games, including a "grand bowl".

Boys present were Ricky Youngberg, Martin Towery, Donald Locke, Bobby Locke and Clifford Edgerton.

Den Two of Cub Pack 98 met Tuesday with Mrs. Donna Hasty. The boys practiced a play for their pack meeting and made a "Grand Bowl".

Refreshments were served to Earl and Jeff Luehmann, Don and Dennis Hasty, Dennis Krohne, Timmy and Tony Bennett and Mark Sprankle.

**TROOP CHICKEN FRY**

Boy Scout Troop 23 met Tuesday evening with Scoutmaster Benny Pickett, Floyd Ashoff and Mike Abernathy.

The group talked about Camp Suonen, cleaned up the grounds and discussed a "chicken fry" to be held May 22.

Boys present were Eddie Dean, Joe Sobczak, Charles Polley, Willard Hicks, Glenn Ashoff, Mike Karlebach, Buzz and Bobby Pickett, Jimmy Meador, Mel Wheeler, Steve Meador, Larry McCabe, Peter Fourcatt, Chester Denham, Vaughn Walright, Dennis Bringer, Rudy Reiser, John Harper, Danny Deigler, Jerry McCabe, Jimmy McCarty, Lloyd Byrd, Gary Tucker and Joe and Jim Lewis.

**Area Host to El Salvador Students**

An "adventure in international living" was shared with Granite Cityans Tuesday evening as ten touring university students from El Salvador enjoyed a barbecue dinner at the home of Mr. and Mrs. Ronald Rojas, 2488 Kilmarney drive, after viewing activities at the Union Starch & Refining Co., YMCA and Granite City card decks.

Only dinner on full enjoyment of the visit was news from the small Central American nation that more than 100 persons had been killed and over 400 hurt in a one-minute earthquake Monday at the capital, San Salvador. Most of the visitors were from that area and were awaiting word through Washington on the fate of relatives.

The tour group, which left St. Louis yesterday for Phoenix, Ariz., is being accompanied by its U. S. travel by two interpreters, Fernando Aleman of the U. S. Department of State and Ernesto Uribe, who serves in San Salvador with the U. S. Information Agency. Rojas also talked in Spanish with the group, which expressed admiration for the equipment and facilities it had viewed.

Programming agency for the tour is the International Student Service, and sponsor is the State Department's Bureau of Educational and Cultural Affairs. Goal is to acquaint future leaders of the two-million-population land with the U. S. and its people, customs and ideals.

**Arranged by Mrs. Gantcheff**

Arrangements for the stop in Granite City were made by Mrs. Helen Gantcheff through the St. Louis Council on World Affairs. She was aided by Mr. and Mrs. Rojas, Dr. and Mrs. Leslie Hester, Robert McKelley, Mr. and Mrs. Hector Mendoza, Mrs. William P. S. Winter and Mrs. Ruth Canner.

Students here were Rafael Alfaro, Jose Barillas, Rafael Arana, Rafael Garay, Jaime del Valle, Armando Chacon and Misses Ana Alvarez, Cecilia Girard, Rosa Capulina and Rita del Socorro Angulo.

The family name of Miss Ana Alvarez, mother of Rojas, prompted the gathering to conclude that "it really is a small world."

**Phone Petitions To be Delivered To Springfield**

Petitions signed by over 500 rural subscribers to telephone service calling for an immediate bearing on mileage rate charges by Southwestern Bell Telephone Co. in Chicago toward will be delivered to Springfield tomorrow.

It will be delivered to the chief telephone engineer of the Illinois Commerce Commission by Mrs. Robert Polley, Joe Cramer and Rev. John McGinnis, pastor of the Mitchell Presbyterian Church. They have a 10 o'clock appointment.

The petitioners complain of unjust and unfair rates and ask for the same rate as Granite City. At present, the added charge is 50 cents for each quarter mile outside the base rate area for a private telephone.

Another instance of different charges for neighbors was reported by Sampson. His bill is \$10.45 a month, while his neighbor's is \$2.25.

**Car Sideswiped, Driver Facing Four Charges**

Four charges were filed against Darrell Crawford, 22, St. Louis, after his car sideswiped the left side of another driven by Donald C. Harshbarger, 2431 Pine street, at 1:50 a.m. today at Pontoon and Maryville roads.

A patrol car, which was following Harshbarger, gave pursuit, with police taking Crawford into custody at Pontoon road and Franklin avenue. He was charged with leaving the scene of an accident, driving on the wrong side of the road, no driver's license and improper use of vehicle plate. He told police he had fallen asleep.

**12 Area Crashes, Five People Hurt**

Five persons were hurt in Quad-City area traffic this week. Accidents recorded had reached 12 by early this afternoon.

Two persons were injured at 1:30 p.m. Wednesday in a collision involving three autos at Main street and Broadway in Venice.

Police said the accident occurred when a car driven by Lee Imboden, 26, of 2001 Edison avenue, made a left turn from Broadway onto Main street and collided with a car driven by a man who had not made a report to police this morning. The unidentified driver was passing two lanes of traffic that were stopped for a train when the mishap occurred, police said. His car was thrown into another auto driven by Miles Wilson, East St. Louis.

Imboden and Lyndon Danner, 24, of 2721 Saratoga avenue, a passenger in the car of the unidentified driver, were taken to St. Elizabeth Hospital for emergency treatment. Imboden was treated for pains and abrasions to the right chest and forehead cuts. Danner was treated for abrasions to his back, right ear and right forearm.

As she reached over to catch her young son who was falling from the front seat, Mrs. Patricia McElroy, 735 Twenty-seventh place, lost control of her car and struck the rear of a car driven by Leatrice J. Schanach, 2801 Indiana avenue, at 2:20 p.m. Wednesday at 3225 Fehling road.

The boy, Michael McElroy, one-year-old, was taken to St. Elizabeth Hospital where he was treated for cuts to his forehead and tongue. Seven sutures were required.

Alex Bruce Harrison, 9, of 739 Twenty-seventh place, was injured at 6:45 p.m. Monday when the bicycle he was riding collided with an auto driven by William L. Voliva, 31, of 707 Twenty-seventh place. The accident occurred at an alley exit at 737 Twenty-seventh street. Police said the boy rode out of an alley and was struck by the Voliva car.

He was taken to St. Elizabeth Hospital where he was treated for abrasions to his head and face, his left forearm and right hand. He was admitted for further treatment.

John P. Hutchison, 41, of St. Louis, a Granite City Steel Co. employee, was injured when the left front side of his auto was struck by a car driven by Clyde P. Hagood, 2109 Monroe street, at 5:35 p.m. at East 21st street and Lee avenue.

He was treated at St. Elizabeth Hospital for injuries to the forehead and left side. Hutchison told police he had made a stop sign on Lee avenue but did not see the Hagood car approaching south on 21st street.

THE NEW YORK CENTRAL RAILROAD for \$123,255. A resolution was passed authorizing payment of \$16,000 to Atty. Sprague for all legal work—past, present and future—connected with the project. The remittance included \$14,634 payment to Horner & Shiffrin consulting engineers, most of it for work on the Lansdowne project. The total fee will be \$81,913. The firm's fee on the Cahokia treatment plant, which cost about \$587,000, was \$24,664.

James Sparrow, supervisor of water pollution abatement, reported the Cahokia plant has fully operative since April 12. He said that Benny J. Campbell, director of district chief clerk Ben Campbell, has been hired as apprentice operator at \$240 per month.

Monthly payments for work done on the Cahokia project were approved. They included \$28,373 to Keeley Bros. Construction Co., \$600 to Horner & Shiffrin and \$850 to Bert Allison accounts.

The trustees also approved three easements in East St. Louis to Union Electric Co. for a substation, to Norfolk & Western Railroad for an overhead cable, and to East St. Louis for access to the new city sewage treatment plant.

A revised insurance plan, providing extended coverage, by Pan-American Life was approved. The plan was approved at cost the district \$8120 in 1963—only \$74 more than last year.

SHOWER HONORS  
BRIDE-ELECT  
Miss Carol LaMacchia was honored with a pre-wedding shower Sunday afternoon in the YMCA. The party was given by her cousins, Mrs. Betty Punt and Mrs. Mary Lou Worthen, who were assisted by Miss Mollie LaMacchia, Miss Alvora Moll and daughter, Joan, and Mrs. Joseph LaMacchia.

The gift table was decorated with a four-foot-tall bride doll surrounded by an arch of white roses and greenery. A white net skirt encircled the table, attached at the corners with orchids.

The guest table was decorated in white with centerpieces of blue and white summer flowers surrounding a bride figurine under a crystal waterfall. Sprinkling cans held floral arrangements. Doll cakes of satin and tulle attached by a quilted belt and inscribed with the names of the couple were given as favors. Refreshments were served and games were played.

Among the guests were: Marianne Fox, Mrs. Millie Spricer, Mrs. George Novich, Miss John Novich, Mrs. Wilma Mance, Mrs. Emily Meljak and daughter, Miss Pat Meljak, Mrs. Josephine Knevezich, Mrs. Maxine Costoff, Mrs. Gilbert Lauch, Mrs. Leon Nikomowicz, daughter, Miss Phyllis Nikomowicz, Mrs. Jean Marusic, Mrs. Frances Ratzewicz, Mrs. Lorraine Hayes, Mrs. Nettie Gnojewski, Mrs. Phyllis Dudak, Mrs. Cecilia Lapinski, Mrs. Dorothy Wadsworth, Mrs. Gloria Dalton and daughter, Mary, Mrs. Agnes Cinkovich and daughter, Carol, Mrs. Helen Zalkowski and daughter, Carol, Mrs. Betty Schermer, Mrs. Betty Punt and daughter, Betty and Susan, Mrs. Dorothy Siolek, Mrs. Ann Graklanoff, Mrs. Ann Lengyel, Mrs. Mary Bero and daughter, Mrs. Barbara Shambro, Mrs. Mary Lahey, Mrs. May Melchior, Mrs. Mary Ann Bank, Mrs. Ann Galtus and daughters, Paula and Pat.

## New Discus Record Set by Central Boy

Don Smith threw the discus 140 feet Tuesday to set a new eighth grade record for Central junior high school. Pole vaulter Jerry Thompson tied the school mark at nine feet.

Central had one other winner, Bob Coleman in broad jump, as the team finished third in a triangular meet with 21 points. Host Cahokia won with 62 and Belleville scored 33. The Indians' Dennis Garver was second in shot put.

Central seventh graders scored 76 1/2 points to defeat Belleville 33 1/2 and Cahokia 36. The Indians won every event except shot put.

All boys' baseball rosters in the Avon, Bantam, Midget and Juvenile divisions are due at the Wilson Park office by Monday, Sept. 13. Entry fees and non-resident fees also are due at those times.

**OPTIMIST ZONE CONTEST WINNER** Kenneth John Graham, 13, son of Mr. and Mrs. Kenneth Graham, 2017 Manley avenue, is congratulated by Marvin Dean, oratorical contest chairman for the Granite City Optimist Club and Miss Shirley Foster, Kenneth's speech teacher at Coolidge junior high school.

## Kenneth Graham, 13, Wins Zone Oratorical Contest

"Optimism Spirit of Youth" was the topic of a winning speech delivered by Kenneth John Graham, 13, who represented the Granite City Optimist Club in zone competition Tuesday night at the Stratford Hotel, Alton. He is the son of Mr. and Mrs. Kenneth Graham, 2017 Manley avenue. Taking top honors at the zone level qualifies the Coolidge eighth-grader to compete in the Optimist district oratorical contest May 15 in Springfield.

## County Zone Change Hearings Tomorrow

Hearings are set for tomorrow by the county zone board of appeals at four sites in the Quad-Cities area—both in Chouteau township. At 10 a.m. a hearing will be held for Russell R. Lewis, owner, and James C. Given, trustee, of a 1.3-acre tract for a multiple family dwelling along Route 203, about one mile north of Granite City. The tract now is zoned for a single-family dwelling.

At 10:30 a.m. the petition of John and Charles Lyons, owners, and Lindberg Investment Co., purchaser, for a B-3 highway business classification for a tract a fourth mile west of the Routes 66-111 intersection at Mitchell for a Deere Equipment Co. structure for sales and service.

started at 10 a.m. before four members of the board: John G. Warren of Moline, who served as chairman; Richard C. Reincke, Lamont, labor representative; Mrs. Paul Sims of Troy, wife of the state senator; and Mrs. Ines Hoffman.

Principal witnesses for the board included State Highway Police Corporal Cleo Angelloff of Granite City, who said that smoke sometimes reduces visibility to zero along Interstate 70 between Routes 111 and 203 and is responsible for many accidents. All six dumps in the area are along Route 203, south of Madison. He said 30 vehicles were involved in a series of accidents along the Interstate highway on Jan. 23 when fog and smoke from the dump reduced visibility to zero. He said 11 vehicles were involved in a single accident that he handled, and that several troopers were handling accidents in the area, that he could hear trucks screeching and cars colliding and was helpless to do anything about it.

Three other state troopers also testified. The board also called a number of Illinois and U. S. Public Health service engineers as well as officials of the Interstate Air Pollution Study.

Testimony taken by the board will be studied by board members and action is expected to be taken in a regular meeting of the full board of nine members at Springfield, May 23.

new city title. Under Mayor Davis the firm of Calvo & Johnson was named to assist Pileoff.

William Brockus, 2800 Michigan avenue, and operator of a machine shop, here, was named to the Board of Fire and Police Commissioners for a three-year term. Replacing Eugene Ellberg and Robert Spengler are Ralph Elliott, 2137 Lynch avenue, a former city fireman and now a refinery employee, for a one-year term, and Robert Kelly, 2823 Sunset drive, a Granite City Steel Co. employee, for a two-year term.

As announced earlier, Mayor Parnley named Mrs. Marabeth McConnell, 3013 Wayne avenue, as office secretary.

## Electric Bill in Illinois House Opposed

Citizens of certain areas in Illinois would be deprived of their right to obtain regulated electric service if a bill introduced in Illinois by the rural electric cooperatives is passed, according to a statement today by the Illinois Power Co.

The power company has begun an information campaign which it said would reach nearly 400,000 Illinois voters to urge the defeat of a House bill that it said would curtail the rights of municipalities, create an unregulated monopoly for the cooperatives and jam the courts.

"We are also sending out analysis of the bill to our shareholders in Illinois and will communicate its substance to our electric customers," Allen Van Wyck, president of Illinois Power, said in a statement. The company has approximately 9000 Illinois shareholders and 385,000 electric customers. "We are asking these groups to help defeat this bill because we believe it is harmful to their interests," Van Wyck said.

The cooperatives are bringing pressure on legislators by creating the impression that they have the support of farmers," Van Wyck added.

## Damaged in Venice

An auto driven by Wesley G. Accola, 73, of Buffalo, Wyo., was damaged in the left rear at 4:35 p.m. Monday when it was struck from the rear by a tractor-trailer driven by David W. Gramm, St. Louis. There was no damage to the trailer. The accident occurred at Broadway and Klein street in Venice. Both vehicles were headed west on Broadway.

## Council May Hold Separate Meetings for Twp. Business

A new procedure for handling township business is being planned by the new Granite City Council.

In the past, routine township business was conducted during a regular city council session, since the council also serves as the board of town auditors.

Alderman Paul Rutledge, Finance committee chairman for the council, suggested Monday night the council meet at 7:45 p.m. (15 minutes before the city council session) on the first and third Mondays of each month to handle the township business.

This usually consists of a monthly financial report by Supervisor Nelson Hagnauer and bill lists submitted on the first and third Mondays of each month. The monthly financial report usually is submitted on the first Monday of each month.

Rutledge said his suggestion so the council would have time to consider the reports.

At the end of the township's fiscal year on Feb. 28, the annual financial reports were prepared for the April 6 annual meeting. The town board customarily approves the reports for publication, but they were published before the council members reviewed them. A last meeting was held April 28 for that purpose.

Hagnauer's monthly report for April showed a balance of \$54,015 in the relief fund on April 30. Disbursements during the month amounted to \$8638, while income amounted to \$10667. The fund had an April 1 balance of \$37,383.

The town fund had a \$13,822 balance on April 1. Disbursements totaled \$8864, leaving a \$4958 balance on April 30.

**Wm. Dimitroff Joins Toastmasters' Club**

William Dimitroff, a new member of the Granite City Toastmasters Club, presented his first speech Monday night at a six o'clock dinner meeting held in the Grand Cafe. His topic, "An Autobiography," is a customary practice of newcomers to the local speech organization.

Dr. Leo M. Coleman offered the invocation and introduced the table topic, "What Advice Would You Give an Individual Graduating from High School?" Each member participated.

Paul Kulmiewicz was the presiding officer and received the weekly award for his talk "The Living and the Dead." Earl Lee served as general evaluator and James Dimitroff as toastmaster.

Fifteen were present, including two guests, Dr. E. L. Strothman and Jan Poulos. Plans were made for several members to attend the District Eight spring conference and Missouri divisional speech contest, slated for May 15 at the Executive International Inn, Lindbergh and Interstate 70, St. Louis county.

## Cancer Donations Amount to \$80

Contributions to the Cancer fund campaign in West Madison and North Venice totaled \$80, it was reported this week by Mrs. Louise Jimerson, general chairman.

The house-to-house canvass was made by 19 volunteers of the West Madison Women's Achievement Club.

**Old Streetcar Tracks Led to \$50,000 Suit**

Marian J. Favier has filed a \$50,000 suit against the Illinois Terminal Railroad as the result of an accident caused by abandoned streetcar tracks at 1539 Madison avenue on April 23, 1963.

The complaint, on file in Madison county circuit court at Edwardsville, states that she was a passenger in a southbound car which skidded on the tracks and struck a parked car, causing permanent and severe injuries. She charged the railroad permitted the tracks to remain as a public nuisance.

**\$925 Sought on Contract**

Richard George, a plumbing and heating contractor, has filed suit for \$925 against Childress & Co. Inc. as the amount due for work he completed on Oct. 30, 1964, on the Parks Transportation Co. building at State and Market streets, Madison. The case will be heard in magistrate's court.

## EUB Church to Hold Evangelistic Services

Good Shepherd Evangelical United Brethren Church, 3025 National avenue, will hold evangelistic services beginning Sunday, May 9, continuing through May 16. The evangelist will be Rev. John E. Kauffman, pastor of the EUB Church of Mattoon, Ill. A native of Pennsylvania, he was graduated from Asbury College in Williamstown, Ky., and Evangelical Theological Seminary in Naperville, Ill.

Special music will be provided for the services which are to be held at 7:30 nightly, except Saturday, and the nursery will be open each evening. An invitation to the public has been extended by the pastor, Rev. Edwin Crause.

# How's your legal health?

*Give yourself  
this simple test*

## 1 Is your will up to date?

Changes in state laws, in federal statutes, in your family relationships, in Treasury Regulations, in court decisions, in your financial status and in inheritance taxation may have materially altered the results which you sought to attain by your will. Have you reviewed your will with your lawyer lately?

## 2 Are your records adequate?

Income taxes, estate taxes, real estate taxes, inheritance taxes all may be vitally affected by the records which you keep with respect to your financial transactions and your property ownership. Your lawyer can set you straight.

## 3 Is your ownership of real estate clear and complete?

Your title insurance policy, leases affecting your property, the rights of others in your real estate, and improvement contracts relative to your real estate may require the examination and suggestions of your lawyer.

## 4 How do you hold title to your real and personal property?

In joint tenancy with your wife? In your wife's name? As a tenant in common? In your own name? In a land trust? Each of these methods of holding title may have a different effect on your tax status and on your ownership. Your lawyer can advise you as to the best method of property ownership for your particular situation.

## 5 Are you a participant in a retirement plan?

Or a pension plan; a profit sharing plan? How do you stand with respect to Social Security? Your lawyer can suggest how best to set

up your participations for the greatest advantage to yourself, your family and your heirs.

## 6 Are there new federal, state or municipal laws or ordinances which affect you?

Your lawyer can bring you up to date and can instruct you on how to obtain maximum advantages or to diminish liabilities.

## 7 Have there been changes in the amounts, nature or availability of any of your assets or property?

Your lawyer can counsel you on how best to adjust to the new situation—and to make the most out of what you have.

## 8 Do you carry on business through the type of legal organization most advantageous to you?

Do you operate through a partnership, a corporation, sole ownership or a trust? Your lawyer can recommend the best method for your particular situation.

## 9 Should you make gifts to your family or establish trusts for their benefit?

Substantial tax benefits may be available to you through such actions. Your lawyer can tell you.

## 10 Are you adequately protected against liability from accidents or other causes?

Are you safeguarded against mishaps of your family or your employees? Are all of your possessions properly protected against loss or damage? Your lawyer can help advise you.

Most everyone agrees that an annual medical check-up is a good idea. Questions such as those above make everyone realize that another good habit is an annual legal check-up.

## How can we brag about Chrysler's sales success this year without being obnoxious?

We'll talk about price.

Un-gilded fact: nearly half our Chrysler models are actually priced just a few dollars a month more than the most popular smaller cars, comparably equipped. One reason for our dramatic success. Another? What you get for the price—a full-sized Chrysler with power steering, power brakes, automatic transmission, radio, heater and V-8 engine. Want to move up? Come on down. We'll make it easy.

## New GC Building Hits \$457,992 for April; 78 Permits

Seventy-eight building permits listing values totaling \$457,992 were issued during April by Earl Bloomquist, city building inspector. Included were 19 permits during the final week of the month with values totaling \$181,437.

The activity for the month showed an increase over that of April 1964, when 66 permits listed values of \$421,430, but was down from March when 50 permits had values of \$604,027.

The April total included nine permits for new homes, \$259,200 (including a \$130,000 Pontoon Plaza apartment building); seven for additions to homes, \$14,507; 10 for garages and carports, \$13,200; 40 for remodeling and repairs, \$44,049; and seven for commercial-industrial purposes, \$47,993. Two permits were issued to raise structures at a cost of \$100.

Last week's permits included one for St. Margaret Mary's new convent at 1900 St. Clair street, to cost \$77,000, and remodeling of a former four-family flat at 2025 Edison avenue for professional offices. Stanley Schermer obtained the \$25,000 permit. Work already is under way.

Architects are William Pfaff of Collinsville for the convent and Virgil Dulgeroff for the professional building.

An addition of \$6000 to a previous permit was issued to John Sabol for a drug store at Johnson road and Walnut street, and a permit for a Mandel's store was obtained by the Nameoki Village shopping center, \$1850.

**Three New Homes**  
Permits for new homes were issued to George L. Reid Jr., seven-room, two-bath brick veneer at 2450 Waterman avenue, \$214,500; James Singleton, seven-room, two-bath masonry, \$125,500; and Paul Harsanyi, Newell avenue, Shannock Gardens, five-room, 1½-bath brick veneer, \$16,000.

Receiving permits for additions to home were John Dixon, 2230 Nevada avenue, one room and garage, \$1100; Wayne Brothers, 2944 Iowa street, one room, \$1107; and Andrew Kontras, 1731 Walnut street, one room, \$4000.

## Few Changes in GC Council Committees

Mayor Partney said he wanted experienced aldermen to head council committees and announced few changes in chairmanships Monday night. He also called upon the committees to be active and for the members to cooperate with the chairman when meetings are called.

One of his first requests was for City Hall committee Chairman Edmund Bartosiak to seek bids for new air-conditioning units for the mayor's office.

"I'm going to be living in that office, and the present 11-year-old units are not working," the mayor told the council. The committee was authorized to act on a reasonable bid prior to the next council session, which will be held May 17.

**Chairmen Changes**  
In making his committee ap-

pointments, Partney replaced Noon on the Street and Alley committee, restoring Sternberg, who had been ousted by Mayor Davis. Rutledge was named chairman of Planning & Zoning, a chairmanship that had been held by Partney, and Bartosiak was named City Hall committee chairman, a post that had been held by former alderman Casner Skubich.

One committee — Legislation, headed by former Alderwoman Belline — was eliminated; but Partney revived the Personnel committee that had been recommended in the STU study on government and then dumped. Named to head it was Alderman Earl Thompson.

The committees and members, with the chairman listed first, follow:

Finance — Rutledge, Moerlein and Johnson.  
Ordinance — Noon, Thompson and Fry.  
Street and Alley — Sternberg, Thompson and Robertson.  
Police — Whitmer, Dallas and Boyd.  
Fire and Water — Johnson, Dallas and Partney.  
Sanitary — Boyd, Green and Rutledge.  
Light — Basarich, Poulos and Bartosiak.  
Planning and Zoning — Rutledge, Moerlein and Sternberg.  
City Hall — Bartosiak, Poulos and Robertson.  
Personnel — Thompson, Fry and Sternberg.  
Air Pollution — Whitmer, Partney and Bartosiak.  
Special Pollution — Moerlein, Johnson and Green.

## FHA Members to Hold Car Wash on Saturday

Members of the Future Homemakers of America at Granite City high school will hold a car wash from 8:30 a.m. to 5 p.m. Saturday at the Gitchy service station, Nameoki and Johnson roads.

Proceeds will help finance the club's spring trip to Black Hawk, Mo., planned for the weekend of May 21. The chapter also is to install new officers for next year at a meeting on Wednesday.

\$2100, Riley Lewis, 1744 Spring avenue, received a permit for a carport and driveway, \$550, and James Huddleston, 1303 Granite avenue, received one for a carport, \$1000.

Permits for remodeling and repairs were issued to Eugene Brown, 2235 Monroe street, general repairs to the front and back porches, \$1500; Floyd L. Baxter, 2016 Twelfth street, rebuild and repair front and rear porches, \$4100; Bernadine Hawks, 3011 Marshall avenue, general repairs to porch, \$100.

W. T. McCoy, 2029 Bryan avenue, general repairs to ceilings, \$1000; Wayne Peterson, 4115 Melrose avenue, remodeling and alterations, \$1000; Daniel R. Drake, 2923 West 20th street, raze and rebuild room, \$1100; and Fred Bolliger, 1508 Pontoon road, remodeling and alterations, \$4000.

## 12 MHS Students Train In Radio Operations

Members of the Madison auxiliary police are conducting two-way radio exercises for 12 Madison high school students.

Instructors include proper use and operation of radios. The students, headed by James Loy, MHS teacher, are members of a radiological monitoring team.

Along with the auxiliary police and other Civil Defense groups, they will participate in a Civil Defense exercise this spring in Madison. The Madison auxiliary police unit is headed by Chief Fred Trebing.

Members of the radiac team, second-year chemistry students, off and Pat Ratliff.

## Coast Guard Graduate

Seaman Apprentice Ronald L. Selph, USCG, son of Mrs. Mary L. Selph, 915 Twenty-fourth street, recently was graduated from basic training at the Coast Guard Recruit Training Center, Cape May, N.J. His instruction included study of atomic and biological warfare and an introduction to maritime law enforcement.

are Becky Carty, Dave Herschbach, Casimir Krakowiak, Tom Mayo, Frank Mueller, Liudmila Phillips, Steve Puskupir, Robert Robins, Kenneth Schenschang, Cathy Scott, Georgann Vasiloff and Pat Ratliff.

## Police-Court Problems To Be Aired at Meet

Chief Circuit Judge James O. Monroe Jr. is planning a conference for police and magistrates 6:55 later this month to discuss procedures in the use of the magistrate court.

Law enforcement officials have been complaining that often magistrates are not available under the new judicial system. Since May 1, the two-county circuit has been limited to four magistrates, in addition of Alton magistrate whose elective term of office will not expire for two more years.

Joseph Bartylak, state's attorney, noted "magistrates have not been available to many local communities to issue warrants when needed. There is a real need for the availability of at least one magistrate at all times to serve law enforcement officers."

"The local police now have less access to the courts than they have ever had, and it is creating a serious problem for them. They are extremely concerned about it."

Bartylak quoted Judge Monroe as saying the court is fully aware of the problem, and that a 200-page textbook, covering the problems of police and all court administrators is to be distributed in mimeographed form.

Patton Discharged by Navy Prior to Cruise

William L. Patton Jr., 2301a Lincoln avenue, did not participate in a Mediterranean cruise aboard the destroyer U.S.S. James C. Owens, despite a Navy announcement to that effect published Monday. A crew member whose four-year enlistment ended in February, he left the vessel just before it sailed. It will return to the U.S. in July. A radarman second-class, Patton is the son of Mr. and Mrs. William L. Patton, 3310 Terrace lane. His wife, Julia, is a teacher in the Maryville school and he is preparing to enroll at the Southern Illinois University Technical Institute, Carbondale.

Rev. Maze New Pastor At First Baptist

The Rev. Harold L. Maze of Quincy, Ill., has accepted a call to the pastorate of First Baptist Church, 21st street and Delmar avenue, and will assume his new duties next week. He will fill the pulpit May 16.

Rev. Maze holds a diploma from the Southern Illinois College of the Bible, and a B. S. degree from Southwestern Baptist Theological Seminary, Fort Worth, Tex. He served the Peoria Southern Baptist Church for fifteen years before moving to Quincy.

Rev. Harold Maze, who has accepted the pastorate of the First Baptist Church, 21st street and Delmar avenue, and will assume his new duties May 16. He will fill the pulpit on May 16.

Rev. and Mrs. Maze are parents of two children. Their son, Dean, resides in Peoria and is the father of two daughters. Their daughter Jo Ann resides in Jackson, Tenn., and has two daughters and a son.

Sentences Handed Down This Week For Two Area Men

Robert Moody, 22, of Eagle Park Acres, was sentenced to two to four years at the Illinois state prison at Menard Monday by Associate Judge Austin Lewis in Madison county circuit court at Edwardsville.

Sentenced to one year on the state prison farm at Vandalia was Brooker T. Turner, 44, of 1221 Market street, York. He pleaded guilty to a charge reduced from burglary to criminal damage to property. He had been charged with a break-in at the home of Mrs. Lawrence Henry, Second street and Hampton avenue, Venice, last December.

Moody, who also was charged last month with armed robbery at a service station near the McCambridge avenue viaduct south of Madison, was charged with four other defendants with theft. They are Ambrose Darden, Charles Davis, a fugitive, Kenneth Jennings and Clayton Ware, of the Venice-Madison-Eagle Acres area.

Motions Under Adversement Judge Lewis, meanwhile, took under advisement Tuesday the motions made in the Arlington Heights murder case for severance, bill of particulars in the case and an order to compel and comply with the orders of the court in behalf of the defendants.

Involved are Charles Earnest Nicholas, 21, of 2728 Dale avenue; Earnest Lloyd Nicholas, 47, and his brother-in-law, Paul David Kelley, 19, of Rural Route One, charged with the murder of Aaron Leggett, 36, a maintenance man at the Arlington Heights country club last Feb. 4. The case is scheduled for trial on Monday.

An arraignment was held this week for Harry LeRoy "Toby" Whitman, 19, of 1712 Edison avenue, charged with burglary at the Knights of Columbus Club on May 6. He has admitted 18 burglaries.

# Unusual Request by GC Alderman---Take Down a Stop Sign

An unusual request—the removal of a stop sign—stunned Granite City council members Monday night—but with quick recovery they hit upon a solution (legislative) to accomplish the job.

Newly-elected Sixth Ward Alderman Richard Fry made the startling request for removal of a stop sign on St. Clair avenue, controlling northbound traffic at Edgewood drive.

He tried to get the job done quickly with a council vote to have Street Supt. William Warfield send a man out and take the sign down.

However, a stop sign can't be taken down quick that simply, he was told.

**Consultation With Lawyer**

There was a consultation with newly-appointed City Atty. Richard Allen, who said it would be necessary for a repeal ordinance or resolution to be prepared and presented to the council for approval in two weeks.

Fry protested, pointing out the stop sign has caused several accidents. "I thought we could take it down with a two-thirds favorable vote of the city council tonight," he commented.

Several weeks ago the council did approve by repeal ordinance two stop signs at a four-way intersection where two other stop signs had been placed for slow speeders. The request for the new signs and removal of the old ones was made by Alderman Johnson.

**Mosquito Spraying Starts**

Alderman Thompson in requesting mosquito spraying in the Eighth Ward was advised the program was started last week. Thompson said residents

of his area not only were complaining about the great quantity of the insects but also on the large sizes.

Referred to committees (Fire Finance and Personnel) was a request from the Firefighters Union to begin negotiations on a new agreement with the city for city firemen. Wage agreements expired with the start of the new fiscal year on May 1. Permission was given an insurance firm to conduct a traffic safety program in the 2900 block of Grand avenue on May 6 between 9:30 and 10:30 a.m. and 1:30 and 2:30 p.m.; and Illinois Power Co. was given permission to install a new gas line along 22nd street between Adams street and the Paul Sebold garage to improve pressure for the gas main that serves the A. O. Smith Corp. auto frame manufacturing plant.

When he fell while practicing a high jump at Mitchell school Monday afternoon, Thomas Moore, a fifth grade pupil, sustained a fracture of the left forearm. He was admitted overnight at St. Elizabeth Hospital.

The 11-year-old youngster, the son of Mr. and Mrs. Clyde Moore, 5209 Maryville road, was taking part in a physical education class when the accident occurred.

**GC Payroll, Bills**  
Total \$77,889

A \$41,599 bill list was approved by the retaining Granite City council, and a \$36,290 payroll for the first half of May was approved by the new council Monday night.

Top bill on the list was a payment of \$23,935 to A. H. Seebold Co. for estimate 2 on the Adams-23rd street track removal and drainage project.

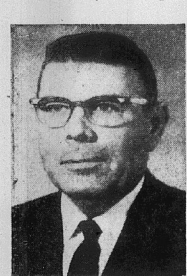

Other payments were \$3476 to Henry Ross Construction Co. for estimate 5 on the West Granite fire station, and the architects, Gabriel-Dulgeroff, were paid \$45.

The bill for seven new Chevrolet police patrol cars also was on the list and amounted to \$28,775. The total figure was \$21,858 less trade-in allowances for six 1964 autos. Starick Signs Co. was paid \$120 to letter six of the cars.

Separated from the bill list was one submitted by St. Elizabeth Hospital for x-ray and drugs for Mrs. Maudie Earney, 2310 Kirkpatrick Homes, who was given treatment April 26 for injuries to her left knee and right ankle after stepping in a hole in the pavement while crossing Edison avenue at 19th street.

Street Supt. Warfield was instructed to inspect the pavement and to report to the council on its condition.

Among other payments approved were \$1872 to Kern Bros. Power Co. for street lighting in April, \$100 to Judge Fred P. Schuman for legal services in a city case that ran from 1953 to 1954; \$120 to Grand Cafe for serving 150 meals to city jail prisoners in April and \$10 to Mayor Parney for attendance at a council of mayors meeting.

**Rev. Humphrey to be Pastor at 2nd Baptist**

Rev. W. Clayton Humphrey will assume the pastorate at Second Baptist Church, 2100 Illinois avenue, on Sunday, May 16.

Pastor of the Second Baptist church of Dongola, Ill., the past five years, Rev. Humphrey served as moderator of the Baptist association there and is a member of the Illinois state board, being on the missions committee. Mrs. Humphrey is now serving as prayer chairman of the state Woman's Missionary Union.

Rev. W. L. Shover, retired as pastor of Second Baptist church April 30, has been requested by the church to occupy the pulpit until May 16.

**Get Whole ROOM or Whole HOUSE Comfort**  
**With A NEW '65 NORGE Air Conditioner**  
**FROM FREDMAN BROS.**

WANT TO COOL A CLOSET? That's right! Unless your planning to cool a doll house or a closet you had better get an air conditioner that's powerful enough and puts out enough cool air to cool a normal size room. A car that operates on less horsepower will still get you there, although not as fast. But an air conditioner that puts out less BTU than is needed just won't do the job, no matter how long you wait. So don't get fooled into buying a unit that's too small to do the job when Fredman Bros. can offer you a quality Norge with full cooling power for just pennies a week or more.

**YOU GET ALL THESE QUALITY FEATURES**  
**AT FREDMAN BROS. BUDGET PRICES!**

- NEMA certified 5,100 BTU/hr. cooling capacity.
- No drip dehumidification, removes up to 4½ gallons of water a day.
- Cools up to 200 sq. ft. floor area.
- Economical 115 volt, 8.7 amps.
- Push Button Controls.
- Permanent germicidal filter.
- Flush Inside Mounting.

**Maximum Humidity Removal**  
Especially important in the St. Louis area, Norge removes more excess moisture from room air.

Now you can buy one Norge High Capacity Multiple-Room Air Conditioner at Fredman Bros. sensational low prices and enjoy cool comfort at the lowest price ever. Cool the entire living area, where the family spends 2/3 of their time, and you'll get more enjoyment out of your home this summer.

Homes and apartments with open floor plans can be cooled with one Norge multiple-room air conditioner properly placed to send cool air through adjoining rooms. Six individually adjustable air grills help direct the cool air where you want it. And the fine furniture styling, rich wood fronts of select hardwood solids and veneers with gold tone accents, will blend in beautifully with any room decor.

Choose your new air conditioner at Fredman Bros. today and enjoy cool comfort tomorrow.

## Higher Lincoln Kindergarten Turnout Sought

The possible discontinuance of kindergarten classes at Lincoln elementary school due to poor attendance and low enrollment figures, and the feasibility of erecting an addition to the new garage facility to house school administrative offices were discussed Monday night by the Venice board of education at its regular May meeting.

Board members agreed that while parents are not compelled to send kindergarten-age youngsters to school, neither is the school district required to maintain a kindergarten class if poorly attended.

Currently, the Lincoln kindergarten operates with morning sessions only for 28 students, whose average attendance is 77%. Supt. of Schools John O. Pier estimated that more than 45 children are eligible to attend and a similar number is expected to enroll in first grade at Lincoln school in September. He added that the average monthly attendance for 42 pupils at the Venice kindergarten is 92.3%.

Most of the difficulties in dealing with non-kindergarten pupils are not apparent until the first grade level, it was pointed out by Board President Michael E. Leatherman. He added that children who begin school with the first grade, in some instances, cannot pronounce their names, frequently have little training in rudimentary personal habits or show incompatibility with their classmates.

**Advantages of Kindergarten.**  
On the other hand, Leatherman estimated, most first graders who have attended pre-school classes are able to repeat their ABC's, print their names and recognize numbers. Combining the two groups, he said, reduces the learning capacity of the class as a whole and presents added problems for the teachers.

Board Member Leo Daviny asked the school executives to seriously consider actions to bolster Lincoln kindergarten participation and attendance, or to make plans to abolish the class completely. He suggested calling a meeting of all kindergarten mothers, or seeking the assistance of the Congress of Racial Equality or other organizations to encourage attendance.

In answer to a question from a board member, Supt. Pier said that in the past, parents of prospective kindergarten students approached to send their children attended low attendance to lack of warm clothing and suitable shoes in winter months. Pier said the actual cause of non-attendance in some cases is apathy on the part of parents.

**Building Addition.**  
A proposed addition to the garage facility adjacent to the Venice grade school building was discussed and a rough sketch was viewed, showing a building 55x49 feet. It would be utilized for administrative offices.

The proposed addition would include three offices; a board room, filing area, two washrooms and a utility area for janitorial supplies.

Previously, the board had considered renovating the present garage area into classrooms, but the estimated cost of the remodeling work was prohibitive, Leatherman explained. Moving the office force into the new area, Pier said, would allow two classrooms to be built into the space they currently occupy.

The construction project was referred to the building committee for further study.

**Insurance Renewal.**  
In other action, the board authorized renewal of a school insurance plan from the Guaranteed Trust Life Insurance Co. through The Page Insurance Agency, Mount Vernon, Ill.

The plan calls for two types of insurance coverage for students and teachers: A "school time" plan in effect during school hours only, at an annual cost of \$2 for kindergarten pupils through sixth grade students, and \$3 for seventh through 12th grade students; and a "round-the-clock" plan, which covers all grade levels at a cost of \$12 per year.

The board also agreed to renew a contract with the Bi-State Transit System for school bus service for 1965-66, at a cost of \$87 per day. Present Bi-State rate to the Venice school district is \$84.20 a day. Pier expressed satisfaction with the transportation service.

## VHS Prom Set Saturday: MHS Prom Planned Saturday Night; 'Paradise Island' Theme Name New Officers

By JUDY REIDELBERGER  
Young men of the Granite City Toastmasters club, Entertainment will feature Bob Osborne, St. Louis disc jockey. An orchestra will provide music.

**Band Medals**  
Six first-place medals were brought home from Mattoon where six grade school finalists competed in the state solo and ensemble band contest. They are: Reidelberger, Debbie Fechte, Brenda Long, Judy Johnson, Linda Presswood and Karen Devany. Arlan Roberts, band director, and Mrs. Barbara Williams, piano accompanist, accompanied them.

The U.S. history class will take a field trip tomorrow to the Madison County Historical Museum in Edwardsville, leaving about 8:30 a.m. and returning about noon.

**Hospital Trip**  
The chorus also is taking a trip tomorrow, to sing at the Illinois State Hospital in Alton. The program will open with "If You Were the Only Girl," "Thank You America," "It's Got the Whole World in His Hands" and a few solos. The closing number will be "One God."

Thirty girls attended the cheerleader tryouts Monday afternoon. They performed in front of a committee of four point teachers. Selected as the 1965-66 cheerleaders are Barbara Kutz, Joan Pickens, Pat Sittler, Janice Hayden and Glenda Brown. Chosen as alternates are Cindy Bosworth and Roberta Johnson.

## MHS Prom Planned Saturday Night; Name New Officers

Madison high school will hold its junior-senior prom Saturday night in the school gym.

A prom committee chosen by Miss Jean Bethel has been preparing for the annual event, and hostesses have been selected from the sophomore class.

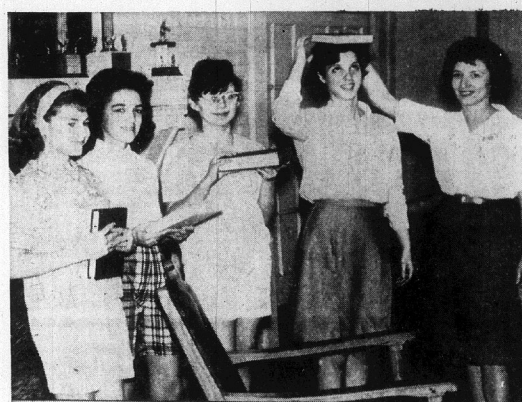

The Junior Red Cross chapter, directed by Miss Ellen Folmer, elected new officers and reviewed projects during the past year at the final meeting of the school year.

The officers are Sharon Obrant, president; Charlene Voloski, vice-president; Donna Rhodes, secretary; and Geraldyn Lapinski, treasurer.

Varsity cheerleaders selected for the coming year by the Pep club and faculty members are Marianna Fisk, captain, JoAnn Hamilton, Vera Sabo and Cheryl Burke. Ability, personality, school spirit and charm were the basis for the choices.

The Pep club finished its activities for the year by awarding pins to those who earned all their points. New officers elected are Judy Kaska, president; Peggy Jackson, vice-president; Carol Chapman, secretary; Janice Decker, treasurer; and Lena Loerch, treasurer.

Band members are conducting a financial campaign, with a Kutz, Joan Pickens, Pat Sittler, Janice Hayden and Glenda Brown. Chosen as alternates are Cindy Bosworth and Roberta Johnson.

**FASHION SHOW PARTICIPANTS** in the teenage event set for 1:30 p.m. Saturday practice modeling techniques in preparation for the display. In the group are, left to right — Debbie Reeder, Beverly Frazier and Molly Ropac, members of Alpha Phi, Debbie Berger and Mrs. Bonnie Fuller, junior director.

## Teenage Fashion Show Set For Saturday at YMCA

A fashion show displaying the latest spring and summer styles will be conducted at 1:30 p.m. Saturday in the YMCA auditorium. The program also will include a variety of variety and comedy acts, drama by Tri-Hi-Y and Hi-Y clubs, rhythmic skits and musical selections.

Free sodas and cookies will be served after the program, and dancing to discotheque music will be shown by members of Delta Chi, Sigma Rho and Alpha Phi. The show will be held at 1:30 p.m. Saturday.

Members of Delta Chi, Sigma Rho and Alpha Phi are to be admitted without charge, but non-members and adults will be charged the fashion part of charged 25 cents, with proceeds the program, with Gail Loper to go into the club program.

## Applications to SIU Remain Open for Fall

Even though applications for admission to Southern Illinois University in September are running well ahead of last year, SIU has no plans to close its doors to time students of St. Louis University, according to university's institute of technology Leslie J. Chamberlain, admissions director.

Chamberlain said applications at present are running two months ahead of last year's rate, "but we're making every effort to process them as quickly as possible and notify applicants of their acceptance or rejection as soon as we can."

Illinois high school graduates in the lower third of their graduation classes are not eligible for fall quarter admission, he noted, adding that those planning to apply for admission who have not done so should file their applications immediately. Applications for the summer quarter also are running ahead of last year, he said.

## 6 Explorer Scouts Attend Conference At Naval Center

Six Explorer Scouts from the Chokoma Mounds Council attended a three-day conference designed to train the boys in new areas of teenage exploring during the weekend at the Great Lakes Naval Training Center. They were Eugene Vrenick, 2327 East 25th street; Paul Hellrich, 2437 Hodges avenue; Pete Maer, 1335 O. Twenty-seventh street; Bill Brehnan and Mike Simms, Edwardsville; and Dan Uring, Collinsville. They were accompanied by Clay Brehnan, field representative.

The local council was one of three selected for its Explorer unit operations, and Maer reported on the operations over closed circuit television for the conference.

Each of the delegates was assigned to participate in a particular discussion group. They were: Hellrich, super-activities unit operations; Vrenick, super-activities unit operations; Maer, unit operations, public relations.

A highlight was the appearance of Carolyn Mignini, Miss Teen-Age America, who spoke of teenage driving and automotive safety. The conference was attended by 1500 boys from 80 councils in Illinois, Wisconsin, Michigan and Indiana.

**Russell on Honor Roll**  
William A. Russell II, 3125 Aubrey avenue, is one of 59 full-time students of St. Louis University, according to university's institute of technology Leslie J. Chamberlain, admissions director.

Chamberlain said applications at present are running two months ahead of last year's rate, "but we're making every effort to process them as quickly as possible and notify applicants of their acceptance or rejection as soon as we can."

## Venice HS Seniors To Be Honored at Reception Monday

The Venice Women's club will hold its 10th annual reception for the members of the senior class of Venice high school at 7:30 p.m. Monday at the school.

Guest speaker will be Wilbur Trampe, Madison county superintendent of schools, whose topic will be "It's a Great Day to Be Alive."

Mrs. Helen Gantcheff, also a guest, will show films of her trip to Russia last summer.

John Pier, Venice superintendent of schools, and Louis Sabin, high school principal, will be guests along with Robert Hendrickson, class sponsor.

The students will be presented gifts from the club and served ice cream and cake in the home economics dining room.

A tribute will be given to Sheila Simmons, St. Mark's school student, for excellence in winning the championship in the Mothers' Day Choral Concert Knights of Columbus spelling competition among Quad-City Catholic schools and for bringing the honor to St. Mark's.

## Busch Named Chairman Of JA Banquet May 18

August A. Bush Jr., president and chairman of the board of Anheuser-Busch Inc., will be the general chairman of Junior Achievement's 15th annual "Future Unlimited" banquet to be held May 18 in the St. Louis arena.

He indicated that more than 100 business and civic leaders are expected to join with 1000 teenagers in the climax of the year's Junior Achievement activities.

During the banquet, various awards will be presented, and college and cash scholarships valued at \$55,000 will be awarded. More than 200 top high school seniors are competing for the scholarships.

## Plans Advance for May Day at GCHS Next Week

Plans are being advanced for the 1965 May Day program to be held at 8:15 p.m. Thursday and Friday at the Granite City high school auditorium. The theme is "Come to the Fair."

A matinee for grade school students will be held at 3:45 p.m. Wednesday. The May queen and attendants were nominated by members of the senior class and elected by the student body.

The May queen is Carol North, daughter of Mr. and Mrs. Ted North, 3321 Wabash avenue. First attendants are Lynn Shepard, daughter of Mr. and Mrs. Willis Shepard, 1618 Mitchell avenue, and Miss Jonetta Leutherman, daughter of Mr. and Mrs. John Leatherman, Glendora, Calif., who makes her home with her grandmother here pending graduation in June.

Second attendants are Pat Mitchell, daughter of Mr. and Mrs. Odie Mitchell, 2113 Illinois avenue, and Donna Miskell, daughter of Mr. and Mrs. Roy Baker, 3004 Dale avenue.

## Mothers Day Concert Set at Dunbar School

Dunbar school will present a Mothers' Day Choral Concert Knights of Columbus spelling competition among Quad-City Catholic schools and for bringing the honor to St. Mark's.

The program will include "Moon River," "Chim Chim Cheree," "Spoonful of Sugar," "Ride the Chariot" and two instrumental solos.

Soloists will be Timothy Bennett, saxophonist, and Sandra Mosley, clarinetist.

## Halsey Girls to Graduate June 5 at Mooseheart HS

**LINDA JEAN FROEMLING**, daughter of Mr. and Mrs. Albert Froemling, 61 Oaklawn drive, and a senior at Granite City high school, who was among a group of 105 select guests of Lindenwood College, St. Charles, Mo., at a campus tour, college preview, talks with professors, a college carnival and a spring dance concert.

Mary and Suzanne Halsey, Granite City girls sponsored at Mooseheart by local Moose Lodge 272, are among 58 seniors of Mooseheart high school to be graduated at 4:30 p.m. June 5 in commencement exercises in the Mooseheart field house.

In addition to receiving traditional high school diplomas, they will receive vocational training certificates. Mary in home economics and Suzanne in secretarial work.

MARY HALSEY

Four Halsey children were admitted to Mooseheart on Aug. 8, 1962. Remaining at the Moose child city will be Jean and Herman.

While at Mooseheart, both girls played drums in the girls drum and bugle corps, were members of the Girls Athletic Association and Drama Guild and worked on the staff of "The Crystal," high school newspaper. Suzanne also served on the yearbook staff.

Suzanne was a class officer in her junior year, serving as girls' representative.

Both girls plan to visit California this summer. Mary plans to work in a hospital in St. Louis and Suzanne hopes to study nursing at the University of Missouri.

Thomas J. Griffin, supreme governor of the Loyal Order of Moose, will deliver the commencement address and present diplomas and vocational certificates to the graduates.

## GCHS Girl Chosen for Summer Math Course

Miss Mary Ann Abramovich, niece of Anthony Pajovick, 2603 Iowa street, and a junior at Granite City high school, has been selected to participate in the sixth summer program for mathematically talented high school students sponsored by St. Louis University and the National Science Foundation.

The program will be held Aug. 2 to 27 with daily classroom sessions and field trips. The classes will be held in the University of Des Moines Hall. It is designed "to enrich the mathematical development and increase the mathematical interest and competence of talented high school students." Only 40 students from the two-state area will participate.

Instructors will be Dr. Francis Regan, director of the St. Louis U. mathematics department, and Dr. John J. Andrews, supervisor of lower division mathematics at the university.

## Miss Dowthitt Elected Glee Club President

Donna Jean Dowthitt, daughter of Mr. and Mrs. William C. Dowthitt, 1710a Fifth street, Madison, has been elected president of Belmont College's Belknap women's glee club for 1965-66 at the Nashville, Tenn., campus.

Miss Dowthitt, 19, is a sophomore majoring in English and minoring in music. She is a 1963 graduate of Madison high school.

## New Lutheran Center Planned at Carbondale

Construction of a new Lutheran Student Center at Southern Illinois University, Carbondale, will be started this fall and is expected to be completed in the spring of 1966, according to Lawrence Hafner, faculty sponsor of Gamma Delta, an association of Lutheran students.

The cost of the building, to be constructed at 700 South University avenue, is estimated at \$200,000. At the new center, students will have a chance to meet and study and have their own worship services, Hafner said.

## Miss Green Gives Talk

Miss Lillian Green, executive assistant to the president and chairman of the board of Granite City Steel Co., delivered the main address at the annual School of Business Awards banquet held Tuesday at Eastern Illinois University, Charleston. Thirteen students were honored.

## 76 SIU Students Seek Commercial Art Career

Careers in advertising design, commercial or technical illustration, are the goals of 76 students enrolled in a two-year commercial art course at Southern Illinois University's vocational technical institute near Carbondale.

"Our program enables the serious, career-minded artist to meet the demands of today's advertising field and industry," said Daniel Boza, program coordinator.

Professionalism is stressed in student laboratories, problem assignments and work standards in the 100-hour gvt course, which leads to an associate in technology degree. In addition to art courses in advertising and story illustration, technical illustration, art analysis and advertising design and production, students take a general studies course which provides a broad educational background. An advanced course in photo offset printing has been added to the program recently.

**COMMERCIAL ART COURSE** at Southern Illinois University's vocational technical institute which leads to an associate in technology degree in two years. Getting some pointers on illustration technique from Kermit L. Ruyle, instructor, is Karen Overbeck, 37 Riviera drive, and Dennis Duff, Highland.

## GCHS Band Visiting Historic New Orleans

The Granite City high school band composed of 103 students is in the midst of its long-anticipated tour of historic New Orleans, having arrived early Wednesday after leaving the school by charter buses at 7 a.m. Tuesday.

The band performed a concert at 9 a.m. today for students at Gregory junior high school there, and another is scheduled for 9 a.m. Friday at C. J. Colon junior high school, under the baton of Louis Meek, band director.

A swim and beach party was scheduled for this afternoon at Lake Pontchartrain, and free time was set for tonight.

After breakfast Wednesday, the young musicians toured the French quarter, St. Louis Cathedral, Jackson Square, the amusement resort at Pontchartrain beach and the riverfront. There was time for shopping in the French quarter Wednesday afternoon.

### Friday Night Departure

The band is scheduled to leave for home at 7 p.m. Friday, by way of Jackson, Miss., at midnight, and Ellettsville, Ark., for breakfast at 6:30 a.m. It is due to arrive at the high school at 2:30 p.m. Saturday.

The trip was financed through band concerts during the school year and through the recent tag days, and it was possible for the students to make the trip with very little money. Before leaving each student was given an itinerary, room and bus assignments and a detailed list of 22 instructions.

### List Students

Musicians making the trip are James Rucker, William Ebrecht, Larry Ashby, Jervell Chapman, Marilyn Shepard, Nancy Benson, Barbara Lacey, Gloria Caban, Barbara Gray, Sherry Duncan, Phyllis Randall, Frances Juhaz, Cheryl Jung, Laura Jensen, Jane Craft, Marilyn Bowdard, Charles McMillan, Terry Waf-ler, Elvin Hoelstra, Richard

## Ad Firm Errs on Zip Code Advertisement

A large number of advertisements, containing a zip code sticker with a purported zip code number for the person receiving the material, has been mailed to thousands of Granite City by a nationally-known firm distributing discount coupons.

The Zip Code stickers, however, contain the same code number for the entire area in which the advertisements were circulated. Postmaster W. T. Overbeck said a great number of the stickers therefore are erroneous since the Granite City area has two zip code numbers. One of these is 62040 and the other 62042. All of the advertisement material carried the 62042 code number. Consequently, all of the advertisements mailed through the former Kate Street station, which carried zip code 62040, are in error as to the number on the stickers.

Overbeck said "We are sorry that this error has been made but please use the zip code number you were assigned by the Post Office department. If you are not sure call the post office and we will give you the right Zip Code number for your home or office."

## Nameoki to Seek Co-Op Project on Street Drainage

A meeting with officials of the state highway department to discuss installation of a drainage line and sewer outlet to relieve a street flooding condition in the vicinity of Sken street and McComb drive. Members of the town board, in regular meeting Monday night, instructed Nick D. Vasiloff, township attorney, to write officials of the two agencies to arrange a meeting on the matter. Harry Briggs, township supervisor, pointed out that the cost of such a drainage line split between the three agencies should represent only a minor expense for each agency. The street area is flooded in periods of heavy rainfall and necessitates detour of traffic over other streets.

### Rabies Inoculation

The board Monday night also announced plans for a series of rabies inoculation clinics to be held this month. Dogs may be inoculated at clinics that will be held May 15 from 10 a.m. until noon at the Long Lake fire department in Ponton Beach; on May 15 from 1 p.m. to 5 p.m. at Jones Lumber Yard, 1633 Miner-va avenue; May 17 from 6 p.m. to 7:30 p.m. at 2620 Sixth street in East Madison; and May 19 from 6 p.m. to 7:30 p.m. at the State Park Community House. Inoculations will be made by Dr. D. L. Frazier and the fee will be \$2.50, the board announced.

Other routine business included approval of a resolution fixing the term of office of township officials for municipal retirement fund purposes and approval of a request by Gino Rotter, town tax collector, for permission to employ extra clerk hire for collection duties. Rotter told the board he expects to receive the Nameoki township tax books in about a week.

The board approved routine bills which included payment of \$603 to the Fidelity-Mutual Insurance Agency in insurance premiums, paid out of the town fund, and payments of \$132.40 and \$249.55 to the MacIar Asphalt Co. for asphalt, paid from the road and bridge fund.

CANCER FUND CHECK FOR \$110 being presented by the Welcome Wagon Club to Cancer Fund Chairman Mrs. Betty Walls (center) by Mrs. Dee Pope, 61 Cambridge avenue, Welcome Wagon hostess (left) and Mrs. June Whitson, 3128 Ash avenue, vice-president of the club. The \$110 was raised through a rummage sale. The Cancer Fund drive is continuing through this week.

## Cancer Fund Solicitors Distributing Leaflets

Four questions are asked and are answered in a leaflet being distributed this week in Granite City by over 200 volunteers seeking donation in the annual Cancer fund-raising campaign.

Mrs. Betty Walls, chairman, said the leaflet is entitled "Answers to Questions About Cancer which Concerns You," and the goal is for every home to get one.

"If this leaflet is read and acted upon, we could save half of those persons who develop cancer instead of one out of three as we are today," she said. Among the questions posed and answered by the leaflet are:

"Are we getting anywhere against cancer?"  
"Yes, gains in diagnosis and treatment have made it possible for over a million Americans to be alive today, cured of cancer. Physicians could cure about half of all cancer patients, if people came for examination in time. With present medical knowledge, uterine cancer could be practically eliminated. Many more people could be cured of cancer of the colon and rectum and other major cancer killers. Noteworthy progress is being made in research support by the government and the American Cancer Society."  
"What signs of symptoms may mean cancer?"  
"These are cancer's seven danger signals: 1. Unusual bleeding or discharge; 2. A lump or thickening in the breast or elsewhere; 3. A sore that does not heal; 4. Change in bowel or bladder habits; 5. Hoarseness or rough, 6. Indigestion or difficulty in swallowing; 7. Change in a wart or mole."  
"If a signal lasts longer than two weeks, consult a physician. Cancer starts and may spread without pain. A danger signal may seem unimportant, but do not delay," Mrs. Walls advises.

### Rabies Control Clinics For Venice, Madison

Three additional rabies inoculation clinics are to be held in Madison and Venice within the next three weeks to vaccinate dogs brought in by owners. The first clinic was held at the Venice city garage on Klein street May 1, when 26 dogs were vaccinated. The next clinic will be held at the Madison city garage on Third street from 2:30 p.m. until 4 p.m. Saturday, on May 15 another will be held in the Venice city garage during the same hours, and on May 22 in the Madison city garage at the same time. The inoculations are being given by Dr. L. J. Holt. The fee is \$2.50.

## Wheel Tax Stickers On Sale—Going Fast

Wheel tax sales were being made at a rapid pace this morning with a total of over 2400 windshield stickers sold by the city clerk's office since they first went on sale last Saturday morning.

The windshield stickers will continue on sale until June 1 before police begin arresting motorists who do not display the tax tags, the city clerk's office announced. The stickers for passenger cars are \$3. Those for trucks are based on the type of truck and state license issued for each different vehicle.

Last year the clerk's office sold 12,400 passenger car tags and 715 truck stickers.

### Dram Shop Suit Filed Against 15 Acres Tavern

A dram shop suit has been filed against Barry Jateff and Thomas Donoff, doing business as the 15 Acres Tavern, located in Madison county circuit court by Rena Prevedel and Marie Prevedel.

They claim that on May 8, 1964, there were passengers in a car driven by a brother who collided with a flat-bed semi-tractor trailer truck driven by Dale A. Marsh who drove the truck about 4.8 miles in the wrong direction, going north in the southbound lane of Highway 66 in Macoupin county. They claim Marsh became inebriated at the tavern and are seeking \$20,000 each.

### Oath Group to Meet On Bylaws, Services

Four reports are scheduled for a planning meeting of the Organization for Advancement of the Handicapped (OAH) at 7:30 p.m. Tuesday, May 18. The group last met at St. Elizabeth Hospital here, and the May 18 location will be Alton State Hospital.

John Solenberger, executive director of the Tri-Cities Area United Fund, will discuss proposed bylaws and Joseph Budde will report on a flat-bed semi-tractor trailer truck driven by Dale A. Marsh who drove the truck about 4.8 miles in the wrong direction, going north in the southbound lane of Highway 66 in Macoupin county. They claim Marsh became inebriated at the tavern and are seeking \$20,000 each.

### Soda Bottle Explodes, Woman Sues for \$4500

Lee Lukens of Venice, operator of a confectionery at 158 Broadway, has filed suit for \$4500 against the Coca Cola Bottling Co. in Madison county circuit court at Edwardsville.

She charges that on June 22, 1964, she picked up a bottle of the firm's soda to sell to a customer and it exploded, cutting her right ankle and causing other injuries. The case will be heard in magistrate's court.

ATTENDANCE at a two-day advanced Civil Defense seminar was attended recently by Victor H. Kenney of Granite City, director of Granite City Civil Defense, standing at left, at the OGD staff college in Battle Creek, Mich. Standing at right is Theodore Todoroff of Granite City, Madison county director of Civil Defense. Seated are Mrs. L. Mae Reagan, Morris, Ill., and Charles H. Buckingham, North Aurora, Ill., who also attended the two-day session. Forty-six officers took part in the seminar, discussed principles and problems of emergency operations, including the management of shelters and shelter systems.

### Annual Red Cross Dinner May 17

Emerson G. Stephens, Red Cross field director at Scott Air Force Base, was announced today as principal speaker at the annual dinner meeting of the Tri-City chapter, American Red Cross, at 6:30 p.m. Monday, May 17, at the Granite City Army Depot officers' club.

A member of the Red Cross national staff since 1939, Stephens has served in a number of positions throughout the world. Former safety services supervisor in the European command, he worked with the League of Red Cross Societies in setting up a water safety program in Austria and with the German Red Cross in establishing water safety and first-aid programs.

Chapter Chairman Gerald G. Walters will preside and Warren Simpkins, Granite City high school vocal music director, is arranging a musical program. Officers for 1965-66 and chapter directors for 1965-68 will be elected and installed.

### Mrs. Schoefer Is Sweepstakes Winner

Mrs. Jesse E. Schoefer, 2244 Lynch avenue, is \$100 richer these days, the result of checking a coupon she received in the mail against a display in a local grocery store.

Mrs. Schoefer was one of eight prize winners in a "Magic Clipboard Sweepstakes" conducted by General Mills, Inc., Minneapolis, Minn., in southern Illinois and eastern Missouri.

### Aiassi to Lead Art Education Discussion

At the request of State Sup't. of Public Instruction Ray Page, Eugene L. Aiassi, Granite City supervisor of art education, will conduct a panel discussion at 2 p.m. Saturday, May 15, on TV Channel Four. Topic will be "Strengthening Art Education in Schools and Communities."

Other participants will be Miss Marjorie Murray, Belleville Junior College art director, and Mrs. Jean Loughey, supervisor of art education in Belleville.

Purpose will be to increase public awareness that art education is not just instruction in drawing pictures.

"Everyone, regardless of his vocation or place in society, is in some way influenced by the various phases of art education," Aiassi commented. "The professional truth and labor are involved directly or indirectly by it. And people who have an understanding and appreciation of the images of art are, by this understanding, blessed with a better and fuller life."

"Art in our century has affected and will affect how we act, where we act and what life values we seek. Art is used in politics and religion, by social theorists and in economic structures, today as in the past."

"Experience given to children in art education classes are chosen to develop creative thinking, stimulate imagination and develop appreciation of forms of art—natural, commercial or esthetic."

"Understanding of the artistic values of worldly phenomena promotes characteristics capable of the highest degree of evaluation of the individual—that of self-evaluation."

GC Lawyer Files Suit  
Against Five Citizens

Charles H. Jungels, Granite City attorney, has filed five suits for \$500 each against Granite City residents as legal fees due in Madison county circuit court at Edwardsville. Bankruptcy cases were involved.

The defendants are Joseph Shemania, Emil R. Schneidell, Maurice E. Olson Jr., Orville Leighton Meadows and David Young. The cases will be heard in magistrate's court.

### 1965 Traffic Fatalities Up; Accidents Increase

A total of 157 traffic accidents in the Quad-Cities area during April—including 85 injury cases and four fatalities—increased to 773 the aggregate number of accidents for the first four months of the year with 315 injuries and 11 fatalities.

The total number of accidents is an increase of 22 over the figure at the same time last year, but the number of injury cases decreased by 27 below last year's figure. The 11 fatalities, however, is an increase of two above the nine reported during the first four months of 1964, but still is below the 13 reported for the same period of 1963.

The increase in fatalities occurred during April, according to the statistics. Last year there were seven fatal accidents during January, February and March, the same number as this year, but in April of last year only two traffic fatalities occurred, while last month four persons died in accidents, including a Depot soldier killed near Springfield.

The number of reportable accidents in April showed a sharp decline below those of the previous month of March when 204 accidents were reported for the area, but the number of injuries was almost the same. With 204 accidents last month, there were 86 injury cases with two fatalities, compared to April's 85 injuries and four fatalities.

In April a year ago, statistics show, there were 175 accidents with 99 injuries and two fatalities, while in March of 1964 there were 212 accidents with 108 injuries and four fatalities.

Largest number of accidents reported thus far this year was in January with 230. Eighty-nine persons were injured and one fatality occurred that month. In February there were 182 accidents with 59 injuries and four fatalities.

Chouteau Township Tax Collections  
Start this Month

Chouteau township tax collections will get under way within the next two or three weeks and will continue for a period of 30 days, the office of Town Collector Charles E. Lexow reported Friday following receipt of the town tax books from the county clerk's office.

Exact date on which collections will begin will depend upon the time required for completing and mailing tax bills. A schedule of locations and dates for receiving payments in Hartford, Roxana and Mitchell will be announced later this week.

Taxpayers will be billed for a total of \$781,801 in real estate and personal property taxes, compared to \$755,003 last year. Ratepayers will pay \$25,579 in 1964 taxes in Chouteau township. Last year the railroad tax bill was \$55,324.

Total tax extensions, including rail taxes, for the various taxing districts lying within, or partly within, Chouteau township, compared to those of a year ago are: County, \$42,881—\$38,221; township, \$43,309—\$42,387; road & bridge, \$45,068—\$44,777; Hartford, \$22,642—\$20,345; Roxana, \$11,784—\$12,208; Civic Memorial Airport, \$1339—\$1373; South Roxana Sanitary district, \$16,476—\$6741; East Side Levee and Sanitary District, \$10,478—\$10,114; East Side district, \$1475—\$1493; high school district 14, \$3,775—\$3,897; school district 1, \$168,252—\$149,751; School District 7, \$12,886—\$13,421.

School District 9, \$229,832—\$228,814; School District 15, \$56,876—\$49,814; Mitchell fire district, \$13,522—\$13,871; North Roxana fire district, \$8824—\$9417; dog tax, \$164—\$189; delinquent tax, \$190,775—\$95,022.

### Meeting on Gifted Pupils Program Slated May 24

A May 24 date has been set for a meeting at which parents and teachers will hear an explanation of a summer seminar and workshop to be held in connection with the Granite City school district's new instructional program for highly gifted and talented children.

It was announced today that Dr. Earl Morris, assistant professor of education, Southern Illinois University, Carbondale, who will be the summer instructor, will come here for the Monday, May 24, meeting. It will begin at 7:30 p.m. at Niedringhaus grade school.

About 120 fourth, fifth and sixth grade pupils are being asked to participate. It has been necessary to shorten the workshop at Niedringhaus school, to an 8:30 a.m.-11:30 a.m. Monday-through-Friday schedule covering four weeks, June 28 to July 25. Additional instruction for the 25 participating teachers will take place from 1 to 4 p.m. daily at SWTC, East St. Louis, during a five-week period, June 21 to July 23.

### Lawyer Group to Hold 'Wiretapping' Debate

George J. Moran of Granite City, judge of the Illinois Appellate court, will be the moderator of a debate to be conducted by the Madison County Bar Association on the subject, "The Legalization of Wiretapping," according to announcement by William Beatty, president of the bar association.

The debate will be held in conjunction with the annual meeting of the Illinois State Bar association June 16, 17 and 18 at the Chase-Park Plaza hotel in St. Louis. The debate will be held Friday, June 18, at 2 p.m. Beatty, president of the Madison county association, will preside.

It will be the fourth annual public affairs program to be presented by the Madison County Bar association. The first such program was in commemoration of James Madison for whom Madison county is named; the second was a debate on the three proposed Constitutional Amendments, and the third was a symposium on the subject "Free Press and Fair Trial."

### A HELPFUL HINT TO GAS HEAT CUSTOMERS:

**Keep your furnace pilot on—and you'll keep rust out!**

Heating contractors tell us that one of the greatest causes of furnace replacement is rust. Even in a dry basement, the wet-and-dry summer periods can cause condensation and moisture in your furnace, leading to rust and corrosion. By leaving your pilot on, and the thermostat turned way down, you keep the air dry and eliminate rusting problems. The cost of operating the gas pilot is low—it is the cheapest possible rust insurance.

**OTHER ADVANTAGES**—When the furnace pilot is on—you have instant automatic heat whenever you want it. Unexpected cold weather, damp nights or sickness often bring a need for heat. If the gas pilot light is on—heat is immediately available at the turn of your thermostat. Turn the heat on—or off—at your convenience. And it's ready to go at the first sign of cold weather next fall.

Note: Air filters should be replaced before next heating season.

**Belcoff Appointed To Port Board; All Committees Named**  
John Belcoff, Madison grocer, was reappointed to a three-year term as a member of the Tri-City Port District board in April. Mayor Stephen Maerz and the Madison city council, which also approved new committee appointments for the year. Belcoff, also president of the Madison board of education, is completing a three-year term which will expire June 1. Maerz read a letter from Carl Rant, board chairman, urging the reappointment. Mayor Maerz said he made changes in the committee assignments to give a new opportunity to remain familiar with all committee operations. The committees, with chairman listed first, are: Finance—Robert Don Reeves, Bowman Bosworth and Emil Ulanski. Streets and alleys—Richard G. Koziellek, John Haynes and Steve G. Koziellek. Police—John Haynes, Raymond Koziellek and Bowman Bosworth. Ordinance—Barker T. Walton, Reeves and Chris Ostoff. Sewers and sanitation—Koziellek, Walton and Bowman Bosworth. Purchasing—Ulanski, George and Koziellek. Fire, light and water—Koziellek, Charles McMahon and Haynes. Public grounds and buildings—Bosworth, Koziellek and Walton. Health—Castoff, McMahon and Reeves. **Street Sweeper**  
During the meeting the council referred bids on a new street sweeper to the purchasing committee after discussing the merits of three types from local firms, two of which were displayed earlier. The G. B. Avery Co., Inc., St. Louis, submitted a bid of \$117,700, less \$765 trade-in on an old sweeper for a net of \$116,935, for Wayne sweeper complete with all equipment, including power.

## Voting Precinct Changes Planned for June 1966

A goal of redistricting Granite City's separate (and confusing) township and city voting precincts was set for June 1966 during Monday night's first meeting of the new council.

Alderman Paul Rutledge, who several months ago suggested a special federal census be conducted this year with a block-by-block population count, pointed out the redistricting of township precincts can be made only during the month of June, and it would be too late to tackle the task this year.

He did recommend the appointment of a special committee to arrange for the special census to be conducted this year with the help of the U. S. Census Bureau. The city had a special census in 1955.

The present plan is for a joint endeavor by city and township officials (the city council also is the town board of auditors) to realign the precincts to conform for both city and township elections. At the same time, ward boundaries would be changed to equalize population.

"We need to make the changes," Rutledge said. "We

cause people are confused on where to vote, especially when there are city and township elections on the same day." The township precincts also are used for county, state and national

Alderman Bartosiak pointed out the city should proceed cautiously, since when the city goes over 50,000 population, it will lose about \$102,000 annual

income from tax collections. The city now receives a 2% commission, and cities with 50,000 people or over turn the collection over to the county and lose the commission.

## Held on 3 Charges

Frank M. Stark, 30, of 2602 Kirkpatrick Homes, was arrested by Madison police on three charges about 2 a.m. Wednesday, following a disturbance at Ralph and Charlie's Steak House

serve him. Stark struck a bartender and tore off his shirt, and force had to be used to take him from the restaurant and place him in a cell, police said. He was charged with resisting arrest, disorderly conduct and destruction of property.

## Serving in Japan

Marine Lance Corporal Roland M. Lee, son of Mr. and Mrs. Melvin F. Lee, 1608 Second street, Madison, is serving with the First Marine Aircraft Wing at the Marine Corps Air Station, Iwakuni, Japan.

## Teen Summer Job Meeting May 11 At Kirkpatrick

Ernest A. Karandjoff, president of the Granite City Trust & Savings Bank, and Manford C. Ruby, safety director of the Laclede Steel Co., will be featured as discussion panelists at the annual Teenage Employment Conference at 7:30 p.m. Tuesday, May 11, at the Kirkpatrick Homes community center.

Also taking part will be David W. Morgan, executive director of the Granite City Housing Authority, and Mrs. Louise Parker, Illinois Youth Commission representative.

The meeting is held each spring to aid teenagers in preparing for seeking and obtaining summer employment.

Questions to be discussed include: When does a teenager look for summer employment? How does he or she look for summer work? Where and why do teenagers seek summer employment?

## Teenagers Invited

A large attendance by teenagers is being urged. Educated in Granite City schools, Karandjoff is a graduate of St. Louis University. He serves as vice-president of the Baughman-Oster Co., Taylorville, Ill., and of the Industrial Roller Co., Smithton, and is a director of the Trust & Savings Bank, American National Bank of Granite City and Walston Aviation, Inc., Alton.

Karandjoff is past president of the Tri-Cities Chamber of Commerce, Granite City Rotary Club, Tri-City chapter of the American Red Cross, Tri-City Community Concerts Association, Madison-Bond Counties Bankers Education Committee, Federated of Southern Illinois and the Northwestern School Parent-Teacher Association. He is a board member of the Chamber, Red Cross, United Fund, Associated Builders, Granite City Scholarship Foundation, Protestant Welfare Association and St. Elizabeth Hospital lay advisory board.

Ruby, a graduate of Jacksonville high school, worked for the Eli Bridge Co. there and managed a Champion shoe store until entering Air Force cadet training in 1942. He later served in the Army Infantry, landing in France on the second day of the invasion. Although wounded during the fighting, he remained in service through World War II and during the postwar occupation of Germany.

Ruby received a bachelor degree from Shurtleff College, Alton, and a master degree from Washington University, St. Louis, and was an elementary school principal and science and mathematics teacher until joining Laclede in 1956. He has been safety director of the steel firm since 1960 and teaches safety and psychology in the SWIU adult education program.
